NY RESPONDS INCIDENT MANAGEMENT SYSTEM TRAINING - NYR

NO. OF OPENINGS: 25 | **STATE EMERGENCY** | **ANNOUNCED: FEBRUARY 18, 2016**

MAY 19, 2016 | **OPERATIONS CENTER** | **1 DAY**

Description:
The New York State Disaster Preparedness Commission (DPC) Exercise Coordination Committee is sponsoring a NY Responds (NYR) training course to be held at the State Emergency Operations Center (EOC), Albany, New York

NY Responds is the web-based solution to integrating and managing multiple functions of the State EOC. The system allows Agencies and Counties to follow the status of their resource request as it moves through the State EOC. This training program will introduce users to the NYR environment from log-in to situation reporting, and accessing and using key functions and tools.

Course Curriculum Structure and Topics:

- Multi-Incident Management
- Defining 3 types of information that enter the system
- Resource categories and management
- Roles, Rights and EOC information flow
- Creating & Viewing Calls
- Situation Reports and IAPs
- System-wide functions & tools, Library, Phonebook
- Geo-Coding reports, requests, and offers

Who Should Attend?
The target audience for this course is SOEM employees, DPC Agency Liaisons, County Emergency Managers and personnel who may be assigned to the State Emergency Operations Center (State EOC). SOEM employees need supervisor's approval to attend; county employees must have their county emergency manager's approval.
We strongly suggest you submit your registration as early as possible. We reserve the right to close the registration period earlier than the closing date stated on the Course Announcement due to the number of registrations received.
