

Information Bulletin

NATIONAL FIRE INCIDENT MANAGEMENT SYSTEM (NFIRS)

Change Notification

A new version of the (NFIRS) application has been released as part of OFPC's initiative to modernize its suite of IMS applications to be more user friendly and to leverage current technologies.

This release includes:

- A new user interface
- Updated reporting features and capabilities

Impact:

- User's will no longer access NFIRS through the IMS System and must use the following URL to access NFIRS:

<https://my.ny.gov/>

Beginning Friday, May 18, 2018:

- Log into NFIRS with the new URL above and verify that you have access to NFIRS.
- Update all shortcuts, bookmarks and favorites to the new NFIRS URL.

Need Help?

If you experience any technical issues upon completion of this maintenance:
