Summary

The Firefighters Charitable Foundation continues to provide assistance to those in need. Grants are given to assist local fire/disaster victims, fire prevention education, volunteer fire department equipment purchase, and community safety programs. The Firefighters Charitable Foundation provides funding that: (1) Assists fire and disaster victims; and supports Volunteer Fire Departments. (2) Supports outreach programs for fire safety, first aid education and aids children in need. (3) Delivers grants to other charitable organizations that help victims of fire. The following grants are available that meet specific grant requirements: (1) AED (Automatic External Defibrillator) - available nationally to an organization that would like to implement an AED program for their community. Local fire department should be contacted to assist with determining what brand AED to buy and to arrange CPR/AED training for those that will administer it. (2) Fire Department Equipment Program - available for Volunteer (and Paid) Fire Departments to purchase fire fighting equipment and vehicles. It also provides assistance to acquire necessary tools, clothing and other procurements. (3) Community Smoke Detector Program - available for Volunteer Fire Departments, Safe Kids Coalitions, Social Service Agencies to assist with implementation of a smoke detector, battery replacement program in their local community. (4) Juvenile Firesetters Program - available for any Fire Department (Volunteer or Paid) or a Social Service Agency wishing to implement a Juvenile Firesetters Program. The grant includes a \$500.00 cash award to help offset the initial costs of setting up the program with items such as Audio/Visual Equipment, Printing, etc. and a copy of the Broward County, Florida Fire Marshall's Office - Juvenile Firesetters Program Implementation Guide.
