OFFICIAL YOUTH BADGES

The Junior 4F Badge lets everyone know that you are a proud friend of the firefighter. When you wear this badge, let people know how important firefighters are to you, and that we need to do everything in our power to keep them safe, as well as ourselves.

Ask Mom or Dad to help you cut this out and put it on!

*Firefighters are there to help us,
but through greater knowledge, responsibility, and preemptive action,
we can help them.*
