

STATE EMERGENCY OPERATIONS CENTER COURSE

No. of OPENINGS: 35

STATE EMERGENCY

1 DAYS

APRIL 18, 2017

OPERATIONS CENTER

ANNOUNCED: OCT. 14, 2016

Description:

The New York State Office of Emergency Management is sponsoring an Emergency Operations Center Course. The State's response to regional and statewide incidents has resulted in both long and short-term activations of the State Emergency Operations Center.

These activations reinforced the need for training, and in response to this need, SOEM has developed this one day course for Agency Liaisons, Representatives and State EOC staff.

The goal of this course is to provide participants with background and technical knowledge necessary to function efficiently and effectively in the State EOC. This course is designed to address the NIMS Target Capabilities and providing Multi-Agency Coordination (MAC) for incident management through the activation and operation of the state emergency operations center (State EOC).

Course Curriculum and Topics

- Emergency Management in New York State
State EOC Operations
Principles of ICS for the State EOC
State EOC functions, layout and principle SOPs
Functional Branch activation within the NYS CEMP
Understanding ESFs and NYS Functional Branches.
Multi-level communication methods for various levels of Incident Management
Class Exercises and Group Activities

Cost:

There is no fee for the course. Food, lodging & transportation costs are the responsibility of participants.

Completion:

Participants will receive a Certificate of Attendance for the course.
