Staffing and Locations

Staffing Levels

43 Full-Time Staff

• Program
• Contracts
• Fiscal Monitoring
• Administrative

Locations

• Majority of the Staff to include our Director are located in Building 7A in Albany
• Presence in 633 Third Avenue, New York – Fiscal Monitoring Staff
What We Do

• State Administrative Agency (SAA) for over $1 billion (FY2016-2020) in federal homeland security funding (preparedness) including ten separate programs

• Administer $298 Million in State Funding which includes State Interoperable Communications & Public Safety Answering Point grant funding as well as Securing Communities Against Hate Crimes, Fire/Ambulance Service Legislative Member Items, and Recruitment and Retention Programs

• Manage over 2,300 active contracts with counties, cities, State agencies and nonprofit organizations

• “Connector” – Coordinating and “linking” federal-State-local entities (our customers) on homeland security issues
State Administrative Agency (SAA) Responsibilities

SAA assigned by Governor

- Apply for, allocate and manage federal homeland security (preparedness) and State grant funding
- Ensure grants are executed within federal and State guidance and regulations
- Assess risk/capabilities to inform allocations to grantees
- Promote local-State-federal integration
- Conduct outreach with grantees and involve stakeholders to ensure a coordinated approach to grant investments and other planning activities
- Provide strategic guidance and technical support to grantees, as appropriate
Overview of Units
Program and Planning - Functional Summary

• Provide strategic planning, analysis and program development for all grant programs
• Develop and submit annual applications to various federal agencies for funding
• Coordinate with local, State, and federal stakeholders to ensure State and federal priorities are met
• Present at various outreach events to discuss grant programs, requirements, and to obtain input
• Participate in various working groups to help inform Investment Justifications and program objectives
• Coordinate and develop the Request for Applications (RFA) process for all grant programs—this includes RFA & Guidance development, Application Review and Scoring, facilitating Panel Review Sessions, and make funding recommendations
• Respond to Executive Chamber requests as required
Contracts - Functional Summary

- Programmatic oversight of all grant programs from point of application through closeout
- Ensure that all the administrative requirements of the contract are met to include federal and State regulations (procurement, Minority and Women-Owned Business Enterprise (MWBE), vendor responsibility, etc.)
- Reviewing fiscal paperwork, track on spending, collect and monitor progress reports
- Process contract amendments and obtain appropriate approvals from federal partners
- Continual technical assistance provided to grantees
  - New Grantee Orientations
  - Joint Monitoring Visits
  - Technical Assistance Direct Visits (e.g. transition of staff, etc.)
Grantee Contract Process

1. Grantee submits electronic application
2. Program and fiscal review
3. DHSES prepares contract for electronic signature
4. DHSES signs contract and forwards for control agency approval
5. Grantee completes local contract approval process and electronically signs contract
6. NYS Attorney General approval
7. Office of NY State Comptroller approval
8. Executed contract returned to DHSES and attached to E-Grants
Grantee Reimbursement Process

1. Grantee prepares Voucher, Fiscal Cost Report and Detailed Itemization Forms
2. Submit package to DHSES
3. DHSES Contracts Rep. reviews for allowable costs and matches to contract budget, then forwards to Fiscal Unit
4. Fiscal Unit reviews and processes voucher
5. OSC reviews voucher and releases payment
6. Electronic deposit to grantee
Fiscal Monitoring Unit - Functional Summary

- On-Going fiscal oversight and monitoring of preparedness grants
- Provide guidance and technical assistance of fiscal compliance records
- Ensure compliance with provisions of grant programs and contract requirements
- Review Single Audit reports and issue Management Decision letters on findings to DHSES federally funded grant awards
- Assist with external audits (NYS OSC, DHS FEMA, DHS OIG)

• Develop reports as required by executives
Questions?
Grants Program Overview and Process
Federal Grant Process - Timeline

1. White House Budget Submitted to Congress (February)
2. House and Senate Committees-includes stakeholder testimony (Spring/Summer)
3. House and Senate approve appropriations bills. (Summer/Fall)
4. Resolving Differences-House/Senate agreement on final bill (Summer/Fall)
5. Presidential Action-Sign (bill is passed) or Veto (by September 30th)
6. House and Senate Approval (Summer/Fall)
7. Regular Business-only if appropriations bills passed/signed by Sept. 30th (rare occurrence)
8. Continuing Resolution- “Extension” of gov’t operations if deadline not met (weeks/months)
9. Omnibus/Minibus-consolidates multiple appropriations bills into one or several bills
Federal Grant Process

• Dependent on Appropriations being passed

• Many Homeland Security grant programs have specific timelines in the legislation

• Traditionally guidance for the State Homeland Security Program (SHSP), Urban Area Security Initiative (UASI) & Operation Stonegarden (OPSG) must be released to States within 60 days of the President signing appropriations bill
  o Up to 80 days maximum for State to submit applications to FEMA
  o DHS/FEMA has up to 65 days to act on applications

• Emergency Management Performance Grant (EMPG), Fire Grants, and others not specified and determined by FEMA

*December 14, 2020*
State Homeland Security Program (SHSP) & Urban Area Security Initiative (UASI)

- Designed to build and sustain critical homeland security capabilities across the State (SHSP) and within the State’s NYC urban area (UASI)
  - SHSP funding level decreased $2.96 million from FY2019
  - UASI funding level stayed the same from FY2019
  - Non-Competitive Awards: DHSES provides awards to every county in the State and NYC based on a risk formula
  - Projects **MUST** have a nexus to terrorism
State Homeland Security Program (SHSP) & Urban Area Security Initiative (UASI) – Cont’d

- **Requirement:** At least 80% of the funding must go to local government (Local-Share), 20% can be used to support State projects (State-Share)
  - At least 25% of All SHSP & UASI Funding must be dedicated to support law enforcement terrorism prevention activities
- **Projects:** Counties have the flexibility to determine their own homeland security needs (within the parameters and high-level priorities set by DHS/FEMA and NYS DHSES)
- **Spending:** Three year grant period of performance
State Homeland Security Program (SHSP) & Urban Area Security Initiative (UASI) – Cont’d

• **Changes for FY2020**: Major Shift in National Priorities – Required 5% spending of homeland security funding in each of the following investment areas:
  o Intelligence and Information Sharing
  o Cybersecurity with Election Security
  o Emerging Threats
  o Soft Targets/Crowded Places with Election Security

• Spending requirements were enacted for the first time in the guidance; national priorities always existed

• **Projects**: Funding can be used to support allowable Planning, Organizational, Equipment, Training, Exercise activities – nexus to terrorism must exist
State Homeland Security Program (SHSP) & Urban Area Security Initiative (UASI) – Cont’d

- Projects must align to the New York State Homeland Security Strategy and informed by County Emergency Preparedness Assessments (CEPA)

- Follow Grant Guidance: Limitations placed on the funding (e.g., no supplanting, 50% cap on personnel and some consultant costs)

- For SHSP, DHSES works through county points of contact (emergency responders) to administer funding
Operation Stonegarden (OPSG)

- PURPOSE: To enhance cooperation/coordination among local, tribal, State and federal law enforcement agencies in securing international borders

- Approximately $3.18 Million awarded to NYS in FY2020

- Eligible applicants include 12 Counties and St. Regis Mohawk Tribal Police

- Coordinated through U.S. Customs and Border Protection (CBP)
Lessons Learned

• Competing local priorities for funds
  o State priorities *sometimes* not addressed
• Promoting broader regionalization efforts
• Emphasizing capability assessments
• Measuring performance
• Ensuring local-State-federal integration

*Funding Provided by U.S. Department of Transportation

**DHSES Offices/State Agency Partners Coordination**
- DHSES OEM; DHSES OFPC
Emergency Management Performance Grant (EMPG)

- The EMPG provides federal funds to assist emergency management agencies in preparing for all hazards

- Consistent funding levels from FEMA
  - Funds allocated to localities using a population-based formula
  - Majority of funding supports personnel costs

- **New for FY2020:** EMPG COVID-19 Supplemental (EMPG-S)
  - Assists State & local governments with their public health and emergency management activities supporting the response to the ongoing COVID-19 public health emergency
Nonprofit Security Grant Program (NSGP)

• Funding for target hardening activities to nonprofit organizations that are at a high risk of a terrorist attack

• Competitive program: For FY2020, there was $90 million dollars available nationwide, of which $50 million was for those nonprofits in the federally designated urban areas (NSGP-UA) and $40 million was for those outside the urban areas (NSGP-S)

• For FY2020, New York State received its largest allocation ever under this program:
  o Over $17 million total to NYS
    o $12.69 million under NSGP-UA
    o $4.34 million under NSGP-S
Hazardous Materials Emergency Preparedness (HMEP)

- Increase effectiveness in safely and efficiently handling HazMat Incidents
- Enhance implementation of the Emergency Planning and Community Right-to-Know Act of 1986 (EPCRA)
- Encourage a comprehensive approach to HazMat training and planning by incorporating the unique challenges of responses to transportation situations
- Program focused on activities
  - Any purchases must link to an allowable planning or training activity
  - Report on planning and training conducted

Questions?
Our Successes
Positive Impacts

• The volume of work, the level of detail required and responsibility is constantly shifting for grants managers (both locally and here at DHSES)

• GPA has been able to modify our processes to include:
  o Embracing and managing new State contract initiatives and grant programs
  o Navigating additional State and federal requirements to include an increase in federal reporting requirements
  o Managing a much larger portfolio in funding

• Very low frequency of lapsing program funding

• Successful Compliance Reviews (DHS/FEMA, OSC) and Single Audits

• Continuing to look at ways to improve processes and be able to provide best practices in grants management to all our stakeholders
We Are Here to Help!
We Are Here To Help!

- Very Experienced Staff!
  - Grant funding is a complex process! There are many programs unique in their requirements. We are happy to answer questions.

- Long-Standing Relationships with Stakeholders
  - Monitoring Process is occurring regularly throughout the State and we have extensive networks of contacts – we can put you in touch with the right people to discuss your initiatives.
  - Technical Assistance occurs throughout the grants process (e.g. Workshops)

- Opportunities to Tell our Story
  - We continue to look for opportunities to articulate the impacts of funding; please feel free to share with us any successful projects or best practices that you think would be helpful in shaping our narrative.
