

NEW YORK STATE
DIVISION OF HOMELAND SECURITY AND EMERGENCY SERVICES

Andrew M. Cuomo, Governor

Jerome M. Hauer, Commissioner

**STATEWIDE INTEROPERABLE AND EMERGENCY COMMUNICATIONS BOARD
HOLDS MEETING ON FEBRUARY 20, 2013**

Pursuant to Public Officers Law Section 104, the Office of Interoperable and Emergency Communications gives notice of a meeting of the Statewide Interoperable and Emergency Communications (SIEC) Board, on Wednesday, February 20, 2013, at 10:00 a.m., in Albany, New York.

The SIEC Board was established under Article 26 and 6A of the Executive and County law, respectively, to review policies and programs intended to improve interoperable and emergency communications for first responders throughout the State and make recommendations to the Commissioner of the Division of Homeland Security and Emergency Services. The Board will consider guidelines for statewide interoperable communications planning and the development of regionally-based public safety radio communications systems consistent with federal mandates, industry best practices and parameters for the use of resources for this purpose. In addition, the Board is authorized to promulgate and revise standards for the operation of public safety answering points within New York State.

In accordance with Executive Order #3, the Statewide Interoperable and Emergency Communications (SIEC) Board Meeting will be open to the public. A video of the meeting will be available for viewing two (2) business days following the meeting and can be viewed on the Internet at <http://www.dhSES.ny.gov/media/>. The webcast will be available on the web site for 30 days following the meeting.
