## KNOW THE EIGHT SIGNS OF TERRORISM

- 1) **Surveillance:** Recording or monitoring activities, taking pictures, making drawings.
- 2) **Suspicious Questioning:** Attempts to gain information about operations, staffing, and security.
- 3) **Tests of Security:** Any attempts to measure reaction times to entering restricted areas.
- 4) **Funding:** Suspicious transactions involving large cash payments, deposits, withdrawals, or transfers of money; bulk cash smuggling; suspected financial fraud; sale of counterfeit goods; or misleading charities.
- 5) **Acquiring Supplies:** Obtaining explosives, weapons, uniforms, badges, credentials, etc.
- 6) **Suspicious Persons Out of Place:** This may include people who are in places they should not be, as well as people who do not fit in to the daily routine of your neighborhood or community.
- 7) **Dry or Trial Run:** Putting people into position and moving them around without actually committing a terrorist act.
- 8) **Deploying Assets:** People and supplies getting into position to commit the act.

***Early recognition and reporting of potential terrorist activity is the first line of defense against those who intend to harm the citizens of New York State and its assets.***

## HOW YOU CAN HELP PREVENT TERRORISM

**Know the Routines.** Be alert as you go about your daily business. This will help you to learn the normal routines of your neighborhood, community and workplace. Understanding these routines will help you spot anything out of place.

**Be aware of what is going on around you.** Whether traveling, at work or at home, be on the lookout for suspicious activities. Learn to spot suspicious mail, packages, luggage abandoned in a crowded place like an office building, an airport, a school, or a shopping center.

**Take what you hear seriously.** If you hear or know of someone who has bragged or talked about plans to harm citizens in violent attacks or who claims membership in a terrorist organization, take them seriously and report it to law enforcement immediately.

***If You See Something, Say Something!*** Report any suspicious activity to the New York State Terrorism Tips Hotline at **1-866-SAFE-NYS** (1-866-723-3697). All calls are toll free and will remain strictly confidential. To report emergencies or crime in progress, dial 911.
