TRAINING COURSE AVAILABLE UPON REQUEST

## ICS-402 ICS FOR EXECUTIVES & SENIOR OFFICIALS Description

Any incident can have a mix of political, economic, social, environmental, and cost implications with potentially serious long-term effects. Also, more and more incidents are multiagency and/or multijurisdictional. As the Executive or Senior Official, you need to be aware of how ICS and interagency (regional) multiagency coordination systems can work to ensure cooperative response efforts

## Topics & Issues to be Covered

- Describe issues that influence incident complexity and the tools available to analyze complexity.
- Describe the differences between on-incident ICS organizations and activities and the activities accomplished by Emergency Operations Centers (EOCs), Area Commands, and Multiagency Coordination Systems (MACS).
- Explain the administrative, logistical, financial, and reporting implications of large incident operations.
- Describe the sources of information regarding the incident and how to access them.
- Describe types of agency policies and guidelines that influence management of incident or event activities.

## Prerequisites

Recommended supplemental training:
