

LLIS.gov Launches HSGP Resource Center

LLIS.gov has partnered with the Department of Homeland Security's Technical Assistance Division to house a dedicated resource center for the FY07 Homeland Security Grant Program. The FY07 HSGP Resource Center:

serves as a repository of guidance, forms, templates, and general information on the HSGP. Additionally, the Resource Center features practices and guidelines from the Enhancing Grants Management Technical Assistance Program. The Resource Center contains more than 150 documents, most of which are not available outside of LLIS.gov. Log onto LLIS.gov

and click on FY07 Homeland Security Grant Program under LLIS PARTNERS.

Lessons Learned Information Sharing (LLIS.gov) is the national network of Lessons Learned and Best Practices for emergency response providers and homeland security officials. LLIS.gov's secure, restricted-access information is designed to facilitate efforts to prevent, prepare for and respond to acts of terrorism and other incidents across all disciplines and communities throughout the US.

Secure: LLIS.gov is an encrypted system and all users are verified emergency response providers and homeland security officials.

Peer-validated content: All Lessons Learned and Best Practices are peer-validated by homeland security professionals.

After Action Reports and Information clearinghouse: LLIS houses an extensive catalog of AARs as well as an updated list of homeland security documents from DHS, and other Federal, State, and local organizations.
