To Hell and Back II

The new “To Hell and Back II” program is being sent to FD’s across the USA and is available via:

<http://www.peoplesburnfoundation.org>

...click on THAB II Preview, lower right corner of the page. The program uses video, personal “in your face” interviews as well as advanced 3-D graphics to tell the stories of what went wrong (by the firefighters who survived) at several fires when firefighters were burned or who died from their burn injuries. The program is available at no cost to every FD in the USA and is a powerful training aid.

Explore the rest of the Peoples Burn Foundation website for more useful information on fire and burn prevention.

Thanks to Chief Billy Goldfeder for passing this on.
