

## **Fire Prevention and Safety Peer Review Call for Volunteers**

The Department of Homeland Security has again asked the National Volunteer Fire Council (NVFC) for volunteers to review the Fire Prevention and Safety grants. The evaluation sessions are planned at the National Emergency Training Center (NETC) in Emmitsburg, Maryland, during the following weeks:

October 22-26 Evaluation Group 1

October 29-November 2 Evaluation Group

Volunteer evaluators should plan on arriving the day before the evaluation period and returning home the afternoon of the evaluation period's final day. The grant program will cover travel costs such as transportation, food and lodging. Ground transportation will also be provided between the airport and NETC. Panelists will be contacted to discuss the necessary travel arrangements and reimbursement. No salary or compensation other than travel expenses will be provided for volunteers.

Please submit your peer review requests by Thursday, August 23. Please email the following to Allison Moore at [nvffoffice@nvfc.org](mailto:nvffoffice@nvfc.org):
