

FIRST EDITION OF CPSC'S NEW "THE SAFETY REVIEW"

The first edition of CPSC's new monthly e-newsletter, "The Safety Review," is now available. You can download it at <http://www.cpsc.gov/cpscpub/pubs/tsr0508.pdf>

"The Safety Review" is in Adobe Portable Document Format (PDF). Viewing this publication requires the free Adobe Acrobat(tm) Reader. You can download the Reader through <http://www.cpsc.gov/cpscpub/pubs/pdf.html>

Please note that CPSC is transitioning from the quarterly "Consumer Product Safety Review" to the new monthly "The Safety Review." As a member of our "all" list, you will be receiving the new "The Safety Review" in addition to the "Consumer Product Safety Review." Once the transition is complete, you will receive only the "The Safety Review."
