

GRANTS HANDBOOK 2008

There was almost \$500 billion of federal grant money available during 2007 from scores of funding sources. In addition, there were hundreds of other opportunities for securing matching grants at local, state and national level. In fact, it is almost impossible to calculate exactly how much grant money is available overall, even after trawling through House appropriations bills and reports from oversight organizations including the National Science Foundation (NSF) and Office of Management and Budget (OMB).
