

NFPA HAS ANNOUNCES THE 2010 WARREN E. ISMAN GRANT FOR HAZMAT TEAMS

WARREN E. ISMAN EDUCATIONAL GRANT

Distribution

There will be a minimum of one \$5,000 (USD) grant for one hazardous materials response team (maximum of five members) to register for specialized training at one national hazardous materials conference each year.

Qualifications

Any established hazardous materials incident response team from a fire department, police department or other public-funded program may apply. Preference will be given to teams which demonstrate:

1. Leadership qualities.
2. Communication abilities.
3. Training to the levels outlined in NFPA 472, Professional Competence of Responders to Hazardous Materials Incidents, and NFPA 473, Competencies for EMS Personnel Responding to Hazardous Materials Incidents.

Applicants

A team must submit a letter and completed application to the committee addressing the qualifications noted above and stating their achievements in these areas. The letter should include the names of all team members and information on the conference they wish to attend. A team must also fill out our application (PDF, 39 KB) by September 15.
