

**Fire Prevention
and Control**

NFIRS FUN FACTS

(as of 03/14/2018)

58 Counties are reporting in NYS.

55 of the 58 received awards for 2016 reporting.

As of 3/14/2018 41 of the 58 counties were at 100% completion which means that all reportable months for that county were completed

As of 3/14/2018 15 of the 58 counties were at 90-99% completion

Statewide Participation for NYS is 98% - meaning 98% of the fire departments had all or some part of their reportable months reported. There are currently 1755 fire departments reporting in NYS or 21,060 reportable months of fire reports. As of 3/14/2018 20,577 months were reported in NFIRS.

Total Number of Incidents:

Year	Total Number of Incidents Reported in NFIRS	Responses per Day	Responses per Hour	Responses Per Minute
2016	1,529,988	4,192	175	2.92
2015	1,517,754	4,158	173	2.89
2014	1,431,044	3,920	163	2.72
