

STATE OF NEW YORK  
**EXECUTIVE CHAMBER**  
ALBANY 12224

DAVID A. PATERSON  
GOVERNOR

October 6, 2009

Dear Friends:

Each year, we gather at this poignantly beautiful memorial to honor our fallen firefighters and their sacrifices in service to New York State's communities. I solemnly join with the loving families and friends of these heroes – as well as legions of firefighters – to commemorate their lives and legacy.

The Annual Fallen Firefighters Memorial Ceremony reflects our sadness over the untimely deaths of this State's firefighters and our pride in them and all men and women in fire service. The entire family of New Yorkers shares in this moment to remember these exceptionally brave individuals and offers support to those left behind. While the pain never completely ends, they can be assured that the death of their loved one was not in vain, as it was a fervent call to duty that inspired them to serve.

This year, we will add 12 names to the 2,336 inscribed on the Fallen Firefighters Memorial Wall and, as always, it is a difficult task. Each represents an individual who served a noble and courageous cause and, in doing so, gave their life while carrying out such vital work. While we collectively mourn this loss, we also show our respect for all who have devoted themselves to fire service – those here and those gone from us.

A debt of gratitude is owed to the more than 100,000 firefighters who serve in communities across New York State with dedication to protecting the lives of fellow citizens, always willing to put themselves at personal risk. With true heart, compassion and selflessness, they respond to emergencies day and night – and we who count on them to preserve life and prevent disaster, thank each and every one of them.

It is certainly heartbreaking when the best are taken from us and I offer my deepest sympathy to the families who have lost a precious family member. All New Yorkers salute those who made the ultimate sacrifice and we will never forget just how proud they were to carry out their responsibilities with a degree of valor that is unfathomable to most of us.

Warmest regards to all of you.

Sincerely,

David A. Paterson

My Dearest Friends:

I extend my solemn, heartfelt and grateful wishes—on this important occasion—to the family, friends and firefighting brethren and sistren who have gathered here today to reflect and pay tribute during the 12th Annual New York State Fallen Firefighter Memorial Ceremony.

Today, our entire State takes a collective breath and a contemplative moment to express our deep feelings of sadness and mourning—as well as everlasting appreciation—to the twelve individuals who made the paramount and ultimate sacrifice in the line of duty.

While we cannot directly bring these inspiring citizen-heroes back, some solace can be taken in the fact that their sacrifice has saved countless other lives, and their service has inestimably benefited and enriched our communities, our state and the cause of humanity, in general.

This ceremony etches in stone the names of individuals who are the finest examples of the core bedrock credo—of what it means to devote a lifetime of service to others—and improving, preserving and protecting the lives of those around you.

May God bestow his blessings upon our fallen heroes and their family members, as I remain...

Most Sincerely Yours,

SECRETARY OF STATE

October 6, 2009

Dear Friends:

We are proud to join with families, friends and colleagues in the twelfth year of the New York State Fallen Firefighter Memorial Ceremony commemorating firefighters that have made the supreme sacrifice. This tradition solemnly honors our State's fallen heroes that gave their lives in the courageous performance of their duties.

Without reciprocal expectations, firefighters humbly give so that others may receive. This year's ceremony pays tribute to twelve courageous Empire State firefighters, who fell in the line of duty, gave their lives so that others may live. Today, we bear witness to this selfless dedication—the midnight calls, leaving family and friends to endure hard physical challenges and dangerous conditions—these are the sum and substance of a firefighter's life.

Our gathering today is a celebration of these twelve lives and the choices they have made. Firefighters risk their lives to defend people they are likely not to know and may never see again. They exemplify the spirit of community. They bravely protect citizens, property and our environment. We owe them a debt of gratitude for the valor they have demonstrated in a service they loved.

Men and women, career and volunteer, who choose this most noble profession, sacrifice much, but also are given an incomparable gift—that of protecting and saving the lives of others. The Fallen Firefighters Memorial will memorialize for generations to come the sacrifice of those whose names are inscribed here and to remind us of the bravery and valor of all those who pursue this exalted calling—New York's firefighters. This solemn wall does not attempt to recount the courageous and inspiring stories of individual firefighters. It stands rather as a giant stone ledger, whereon each year we tally the debt that we as a society owe the firefighting community, a debt of gratitude we fully realize can never be repaid.

May we find solace knowing that the individuals we mourn will be remembered and honored by generations to come.

Sincerely,

Lorraine Cortés-Vázquez

October 6, 2009

Dear Friends:

The New York State Fallen Firefighters Memorial Ceremony is a solemn tradition. 2009 marks the twelfth year we have gathered to remember and honor our fallen comrades. We welcome families, friends, and colleagues here to commemorate those who have made the supreme sacrifice. We take this time to reflect on their dedicated service to community and family and their devotion to others while risking their own lives in the performance of their duties.

The loss of any firefighter is a loss to the entire firefighting community. Moreover, it is a loss to family and community. Firefighters give of themselves to serve with the certain knowledge that they risk their own lives. This to protect us all....

In an effort to protect our firefighters, I pledge that the Office of Fire Prevention and Control will continue to strive for the most current technology as well as the best methods and safety practices in our training, prevention and education activities, and technical assistance. Our goal is to one day gather to celebrate a time when no names need to be added to this Memorial Wall.

I am humbled and honored to be part of this ceremony. It is a reflection of the firefighter's commitment to serve others. Today, we remember and celebrate those who have made the ultimate sacrifice and those who continue to serve in the noble calling of firefighter.

Sincerely,

Floyd A. Madison

# NEW YORK STATE FALLEN FIREFIGHTERS MEMORIAL COMMITTEE, INC.

6 October 2009

Dear Firefighters, Families, Honored Guests and Friends:

Two thousand and nine marks the twelfth year of the New York State Fallen Firefighters Memorial Ceremony. We as firefighters, survivors, friends, and legislators have gathered here in Albany to honor those who have gone before us.

This year's Ceremony will pay tribute to the five firefighters who gave their lives in 2008. We also pay tribute to an additional seven firefighters who lost their lives in years past and are now being added to the memorial wall.

As each year passes, we come together to recognize our fallen firefighters. This recognition of those who have given the supreme sacrifice and all those that serve is an emotional gathering, and at the same time, a joyful occasion. It is with this occasion that we celebrate firefighters for their courageous valor, dedication, tradition, honor, and ultimate sacrifice.

"I can think of no more stirring symbol of man's humanity to man  
than a fire engine."

- Kurt Vonnegut

To those families who have lost a loved one, we pray for your solace. Please know that these firefighters have gone before us in honor and with great courage. They continue to hallow our profession.

## The Firefighters' Creed

© Tim Murphy 2001

There's a War that's being fought without Bombs or Rifle-shot;  
There are deadly confrontations every day.  
For the Enemy is Fire; and the Casualties grow higher,  
Among those who place themselves in Danger's Way.  
It's a Warrior Breed of men, who face the fires, and fight again,  
When the Screaming Sirens sound their Battle Cry!  
Where the Klaxons blare the call, they'll be there to give their All:  
They'll lay their Lives on the Line, Do or Die!

When the terrorists attack, stab our Nation in the back —  
Then our Firefighters lead the way once more;  
With their brothers, the Police the Volunteers and EMT's,  
They are joined to combat this Unholy War.  
With the strength of Saving Grace, they met the challenge Face-to-Face,  
Even though the stakes had never been so high —  
They took the Job and got it done, unsung Heroes every one:  
They laid their Lives on the Line, Do or Die!

(Chorus)

When the flames are blazing high against the smoky midnight sky,  
You will hear their Mighty Diesels raging by!  
They'll proceed at greatest speed - it's The Firefighters' Creed:  
They'll lay their Lives on the Line, Do or Die!

There's a Piper on the hill, in the misty morning chill;  
You can hear his lonesome bagpipe's mournful drone.  
Another Fire Fighter died; and his Brothers at graveside,  
Will see his Widow and their Children aren't alone.  
For every Fireman has to know that he could be the Next to go:  
It's just the Nature of the Beast they can't deny;  
Every year they add more Names to the Brotherhood of Flames:  
They'll lay their Lives on the Line, Do or Die!

(Chorus)

When the flames are blazing high against the smoky midnight sky,  
You will hear their Mighty Diesels raging by!  
They'll proceed at greatest speed - it's The Firefighters' Creed:  
(Countless Lives have been Saved by the Bravest of the Brave!)  
(Years of training - Endless Drill! Dedication - Iron Will!)  
(Village Square - City Street! They're the Ones who Take the Heat!)  
(At each Station's strident Bell, still they charge straight into Hell!!)  
They'll lay their Lives on the Line, Do or Die!

Dedicated to the Bravest: those Women and Men, and their Families -  
past, present, and future . . .  
Firefighters all!

**Ryan T. Barker**  
July 8, 2008

Ryan T. Barker was born on February 9, 1983, to Tom and Linda Barker. He grew up in Horseheads, NY, the oldest of three boys. From a young age, Ryan knew he wanted to be a firefighter. Ryan is remembered as a spunky child, smiling and mischievous. He had a contagious smile and brightened any situation. Ryan loved soccer, lacrosse, and hunting. His love for the outdoors was shared with his family.

Ryan began his firefighting with the Horseheads Fire Department's Explorer program while still in high school. After high school, he worked on an Associates Degree in Fire Science. He worked part time as a firefighter for the Corning City Fire Department, while volunteering at Horseheads Fire Department. He was always in the middle of firehouse antics, and is remembered fondly for his wholehearted love of the job. Ryan accepted any duty put before him and carried out his duties with everything in him.

Ryan began full time employment at the West Elmira Fire Department, where he met volunteer Jane Barker. Ryan and Jane fell in love, and he quickly became a roll model to her and her four children. Ryan was completely dedicated to his new family. In 2006, he took a job as a full-time EMT at Erway Ambulance Service and continued to volunteer at Elmira Heights Fire Department and then West Hill Fire Department. In April 2006, Ryan and Jane added a baby girl, Madison Grace Barker, to their family. On June 7, 2008, Ryan and Jane were married on Canandaigua Lake surrounded by their children, family, and friends.

On July 8, 2008, Ryan was returning to the station when the fire truck lost control and overturned. Sadly, he succumbed to his extensive injuries. Ryan will be greatly missed by his saddened, yet grateful family and community.

**Frank P. Bertin**  
November 14, 1942

Frank P. Bertin was born on May 3, 1908 in Pennsylvania. He was a resident of Endicott, NY for over 20 years.

Lieutenant Frank Bertin joined the Endicott Fire Department on October 15, 1925, at the age of 22. He remained a member of the department for the next 17 years. After attaining the rank of First Grade Fireman, he was appointed Lieutenant in April, 1942. Prior to his appointment to the fire department, Lieutenant Bertin worked as an extra patrolman in the Endicott Police Department.

Late Saturday night, November 14, 1942, a fire, caused by a cigarette, broke out on the first floor of Odd Fellows hall. Lieutenant Bertin was in charge of one shift at the Union Station, which answered the call at 11:10 pm. Shortly after arriving on the scene, Lieutenant Bertin was stricken as he helped bring a fire hose into position to spray water through the rear door of the building. Holding the nozzle, he told his men that he felt ill. After taking a few steps backward, he collapsed, dying almost instantly of a heart attack. He was 39 years old.

Lieutenant Bertin was survived by his wife, Lola P. Bertin, his grandmother Mrs. Katherine Flanagan, two brothers, Louis and Herman Schlock, and several aunts, uncles, and cousins. Lieutenant Bertin was laid to rest in Riverhurst Cemetery on Tuesday, November 17, 1942. Fifteen members of the Endicott Fire Department acted as honorary and active pallbearers.

**Edward J. Coiley**  
April 5, 1936

Chief Edward J. Coiley was born on May 22, 1884 in Ledyard, NY and lived in Moravia, NY for about 30 years. He was a communicant of St. Patrick's Church in Moravia; a member of the St. Patrick's choir, of the Holy Name Society and of Auburn Council, Knights of Columbus. He was a member of the Executive Committee of the Central New York Volunteer Firemen's Association.

At the time of his death, Chief Coiley was in his first year as Chief of the Moravia Volunteer Fire Department. He was an efficient Chief who gained much praise in the handling of several large blazes that occurred during his year as the head of the fire department. Chief Coiley gave freely of his time in the interest of others. He assisted in the pumping of water from the cellars of many homes caused by flooding that had been taking place in the area.

On Sunday, April 5, 1936, at about 12:30 pm. Chief Coiley was enroute to assist in battling a fire on a farm in the Town of Locke. While enroute, the fire truck was struggling to get up the hill. Anxious to get to the fire scene as quickly as possible, he climbed out onto the front bumper and signaled to an approaching motorist to pick him up. While attempting this action, the Chief slipped and fell beneath the front wheel of the fire truck. Though efforts were promptly made, Chief Coiley died before the ambulance that carried him could reach the hospital. He was 51 years old.

Chief Edward J. Coiley was survived by his wife Margaret Welch Coiley; one daughter, Ivan Palmer; his father, John Coiley; one sister and four brothers. Chief Coiley was laid to rest in St. Bernards Cemetery.

**Edward A. Junginger**  
September 26, 2008

Edward A. Junginger born on May 5, 1926, and grew up in Queens, New York. Ed's dad was a New York City police officer, and instilled in him the virtues of service to one's country and community. At age 17, Ed joined the United States Army and served in Italy during World War II as a proud member of the 10th Mountain Division, receiving the Bronze Star. Upon being honorably discharged, he married his sweetheart, Josephine Thompson and moved into a home in Levittown, a new community on Long Island, where they raised their family of a son and three daughters. For 50 years, he worked in New York City as a salesman.

Levittown was quickly growing, and Ed, looking for a way to serve his community, became a member of its young fire department. He loyally served for 49 years with the department, making many friendships and becoming an honorary chief.

While on the scene of an accident on September 23, 2008, Ed suffered a major heart attack. He was revived and placed on life support. Family and friends and fire department members remained at his side. On September 26, 2008, Edward Junginger passed away. He was 82 years old.

Edward was a humble, gentle man. He was loved by his wife, children, grandchildren, and great-grandchildren, all of whom miss his smile and kindness. Friends and members of the fire department were always close by to assist the family during this sad ordeal. They remain true friends, still helping in every way.

**James H. Martin**  
November 9, 1901

James Hugh Martin was born December of 1854. In 1886 he joined the Owahgena Hose Company of the Cazenovia Fire Department in Cazenovia, New York. In 1888, Mr. Martin was elected Secretary, a position he held for 13 years. In addition, he primarily worked as a mason.

James Martin married Delia Bridget Hoey on January 29, 1878. The two had seven children, Joanna, Henry, Hugh, Mary, Clara, Lucy, and James. James Martin was well known as a conscientious, upright, industrious citizen, extremely kind in his loving family, and very devoted to the care of his aged mother, who had made her home with him for many years.

Approximately three weeks prior to his death, Firefighter Martin sustained extremely severe injuries while fighting a barn fire. In spite of efforts and interventions at St. Joseph's Hospital, which included the amputation of his leg below the knee, his condition continued to decline. James Martin died on November 9, 1901 at the age of 47. He was survived by his wife, three sons, and four daughters.

Funeral services were held at St. James Church, and the burial was in St. Agnes Cemetery. The funeral was very well attended with many friends and acquaintances who extended their sincere sympathies to the grieving family. Members of the fire company were untiring in their acts of kindness, as they marched the body of James Martin to the cemetery, and presented the family with the gift of a floral tribute in the shape of a cross.

Gomer W. Morgan  
August 11, 1926

Gomer W. Morgan served as a volunteer firefighter with the Mazeppa Fire Engine Co. No. 2 of the Nyack Fire Department from August 7, 1923 until the time of his death on August 11, 1926 at the age of 34.

On August 10, 1926 a \$60,000 yacht called the Luvina was returning from a four day cruise. The yacht was moored at the Main Street dock on the Hudson River in the Village of Nyack, and was taking on 750 gallons of fuel when it suddenly exploded. With the Luvina ablaze, the fire alarm sounded, and Gomer Morgan and the fire department responded accordingly. There was a second explosion, and fearing that remaining gasoline in the yachts hold would also explode, Morgan jumped on board. From the hold, he found and seized a five gallon tank of gasoline, which he intended on throwing overboard or passing to shore. Before he could meet his objective, the gas can exploded in his hands. This tragic accident occurred at 2:30 in the afternoon. In spite of the best efforts of his fellow firefighters in rushing Morgan to the hospital, at 8:00 the following morning, he succumbed to his severe injuries.

Gomer "Doc" Morgan is remembered as a brave and unselfish man. He was the first aid instructor for the Nyack Fire Department, and was well known and liked. None felt the loss more than his fellow members of the Mazeppa Fire Engine Co. No. 2.

Fordham O'Dell  
April 21, 1932

Fordham O'Dell was born on February 27, 1882 in New York City. He grew up with a great sense of pride in his country, and with that, lied about his age and joined the US Army when he turned 16. The Spanish-American War had just broken out and he was assigned to the 1st US Engineers. He served with the Engineers on several projects for some time till returning to his family in North Bellmore in 1919. In late 1919, Fordham joined the Smithville South Hook, Ladder & Engine Company of the North Bellmore Fire Department, whose founding members were his father James, and Uncle Leonard in 1908. He quickly attained a reputation for being a handyman around the firehouse, never asking for any kind of payment in return. From putting a lock on the coal box, to putting a new roof on the firehouse, no job was too big or too small. In 1924 Fordham was elected as the 1st Assistant Engineer. Then in 1925, O'Dell was chosen by his company to serve as 1st Lieutenant. He never did make it to Captain, but continued to serve the company in any capacity, including Trustee.

On April 19th, 1932, Fordham O'Dell responded with other members of the North Bellmore Fire Department to a structure fire on Cleveland Street. While placing a ground ladder at the scene, O'Dell appeared to have thrown his back out. He continued to operate at the fire until it was extinguished. At the end of their operations, it became apparent that Fordham was injured, so the other company members placed him on the back of their Ahrens Fox fire truck and brought him to his home on Eyre Place where his doctor diagnosed him with an injured back. Two days later, on April 21st, Fordham O'Dell succumbed to his true underlying injury, a ruptured aortic aneurysm which has a primary presenting symptom of excruciating back pain. On April 23rd, 1932, he was escorted to be laid to rest in Greenfield Cemetery in Uniondale on a North Bellmore fire truck. A full firematic and military honor guard stood watch over O'Dell's grave for the burial and several days afterwards. He left behind his wife Annie, and daughters Alice and Mae.

Wilbur A. Ritter  
August 28, 2006

Wilbur A. Ritter was a man committed to helping people in whatever capacity he could, and his devotion to his family, the Sayville Fire Department, and numerous firematic organizations were a testament to the remarkable type of person that he was. He joined the Sayville Fire Department in 1947 and dedicated nearly 60 years to his department and community. Following in his father's footsteps, he was an active yet humble firefighter who could be counted on to help with anything that was asked of him.

His family was extremely important to him as well. His wife Evelyn and sons Michael and Peter formed the backbone of his existence. He insisted on taking care of his parents upon his honorable discharge from the Army. He had knowledge of all his family members, as he believed that knowing one's history would guide their future in the right direction.

Wilbur commanded respect of his fellow firefighters with his willingness to do all of the necessary work but not accept any of the acclaim. He served as Resolute Hose Company Treasurer for 35 years, Department President for two separate terms and finally went on to become Fire Police Captain. He was named Sayville Fire Department's 2006 Fireman of the Year.

Wilbur suffered a fatal heart attack on August 28, 2006 while responding to a call.

Everyone who knew Wilbur will forever remember his wonderful demeanor, always smiling and telling jokes that weren't the best, but however were well-intended. His humility and enthusiasm for life were his finest qualities and he will always be dearly missed by all whose lives he touched.

March 29, 1877

Charles Walker, a firefighter for the City of Cohoes, was about 30 years of age when he died battling a blaze early one morning in late March, 1877. It was 3 a.m. when flames were discovered on the second floor of a box store on Mohawk Street. Due to the nature of its contents, the upper part of the building was in flames within a few minutes. Within a half hour after the alarm was sounded, the roof collapsed taking floors all the way to the cellar. Moments before the cave in, firefighters were given warning to save themselves. Charles Walker and another were fighting the fire near the rear windows when the warning came, and were attempting to make their way out when the roof fell. Walker's companion managed to escape, but tragically he was caught by the avalanche of burning debris.

In addition to being a dedicated firefighter, prompt to the call of duty and the first to lead the way, Charles Walker was also the Secretary of the Adams Steamer Company.

Charles Walker was a consistent member of the First Baptist Church. His funeral was attended by a very large number of firefighters and citizens. About 5,000 people passed through the church for viewing and to pay their respects before firefighter Walker's remains were escorted to the southern part of the city, where a farewell was given. The hearse then proceeded to the Albany cemetery, where Charles Walker found his final resting place.

He left behind a wife and four small children.
