Dear Friends:

Today, as for the past 19 years, New Yorkers once again gather at the Fallen Firefighters Memorial to honor those who made the ultimate sacrifice in service to the communities of New York State. We humbly join with the families and friends of these heroes and, with members of fire departments from across our state, in remembering their lives and legacy.

This year, eight names have been added to the 2,398 inscribed on the Fallen Firefighters Memorial Wall in our State Capital of Albany, each representing a proud and respected individual who gave his or her life in the line of duty. We honor their sacrifices and recognize that it is a person of rare courage and character who selflessly steps into harm’s way to protect their fellow man.

A debt of gratitude is owed to the more than 100,000 firefighters who, each day, serve in communities across New York State with valor and dedication to safeguard the lives and property of others, always willing to put themselves at personal risk. With a generous heart, compassion, and humanity, these men and women respond to emergencies day and night.

Those of us who depend on them thank each and every one and, on this day, we solemnly pay tribute to our fallen firefighters with sympathies and prayers extended to their families, friends, and colleagues, as we will forever mourn their loss.

Sincerely,

ANDREW M. CUOMO

Dear Friends:

I am honored to extend my warmest greetings to each of you attending the 19th Annual New York State Fallen Firefighters’ Memorial Ceremony. On this day, we take a moment to commemorate the bravery and selflessness of our firefighters throughout the State of New York while paying special tribute to the memory of those who have responded to an honorable calling and made the ultimate sacrifice.

On this solemn occasion, eight names will be added to those already inscribed on the Fallen Firefighters Memorial Wall. Though it is impossible to fully express our gratitude to these noble individuals, this monument is a testament to the families, friends and colleagues of the fallen that the sacrifices of their loved ones will never be forgotten. Their heroic actions will live on, forever in our hearts and our minds.

I would also like to take this opportunity to express a deep appreciation to the heroes who continue to serve and put their lives on the line for the safety of others and the communities throughout New York State. Their service truly is a blessing for us all.

Sincerely,

Senator Jeffrey D. Klein
NYS Senate Coalition Leader and
Independent Democratic Conference Leader
Dear Friends:

This solemn memorial reflects the ultimate sacrifices that our firefighters have made for the people of New York State, and we are drawn together to commemorate the bravery and heroism of those who lost their lives trying to save others. As we grieve with family members and friends, we are also inspired by their exceptional character and unwavering commitment to our communities.

Firefighters risk their lives to protect citizens, property and the environment. They respond to emergencies with tremendous dedication and selflessness at any hour of the day or night. We owe them a great debt of gratitude for the valor they have demonstrated in a service they loved.

On behalf of the New York State Assembly, I extend my appreciation to those who made the supreme sacrifice. The names on this monument will forever honor their tremendous service and the legacy of their heroism.

Dear Friends:

It is an honor to join you in the nineteenth year of the New York State Fallen Firefighter Memorial Ceremony. This year's ceremony honors eight members of the Fire Service who made the ultimate sacrifice in the line of duty by giving their lives protecting those in need.

As a former trooper, I know firsthand the challenges that are faced and the sacrifices that are made by those in emergency services. I also know that New York State can be proud of its brave men and women who are trained and ready to run headfirst into peril. Where there is danger, our State’s firefighters are always there to help.

We gather today to honor and give thanks to our heroes. We also give thanks to their families, friends and colleagues who carry the memories of their loved ones in their hearts. They know sacrifice, but they also know the genuine meaning of courage and selflessness. This is not an easy gift to accept or embrace, but it is nevertheless a singular gift in its exclusivity and incomparable quality.

And perhaps there is another comfort to be gained by knowing that this memorial and the names of those inscribed on it will continue to serve as a reminder of what it means to be truly courageous. May it continue to inspire all of us to strive to their level of selfless dedication as we dwell in their remembrance.

Sincerely,

John P. Melville
Commissioner

Dear Firefighters:

This year marks the 19th time New York’s fire service has gathered at this memorial site to honor and remember those firefighters who have made the ultimate sacrifice. Today, eight more names join the 2,398 others on the New York State Fallen Firefighters Memorial.

Today we reflect upon eight firefighters who proudly and selflessly served their communities. All firefighters risk their lives every day and we owe them all a debt of gratitude. However, these eight individuals deserve so much more for the valor they demonstrated and the sacrifice they made.

It is our duty to not only honor our fallen comrades, but to support and assist the families of our fallen brothers and sisters. Many of us will leave here with our lives unchanged, but the families of those whose names are on this wall have had their lives changed forever, and as firefighters, we must help ease their pain.

This Memorial serves as an everlasting and poignant reminder of the bravery, dedication and professionalism of New York’s firefighters. This memorial ceremony provides each of us the opportunity to recognize the sacrifices made by the 2,406 firefighters whose names are permanently etched on this wall and to honor their memory.

Sincerely,

Bryant D. Stevens
State Fire Administrator

Dear Firefighters, Families, Honored Guests and Friends:

Two thousand and sixteen marks the nineteenth year of the New York State Fallen Firefighters Memorial Ceremony. We as firefighters, survivors, friends, and legislators have gathered here in Albany to honor those who have gone before us.

This year’s Ceremony will pay tribute to the eight firefighters who gave their lives in the line of duty.

As each year passes, we come together to recognize our fallen firefighters. This recognition of those who have given the supreme sacrifice and all those that serve is an emotional gathering, and at the same time, a joyful occasion. It is with this occasion that we celebrate firefighters for their courageous valor, dedication, tradition, honor, and ultimate sacrifice.

“The bravest are surely those who have the clearest vision of what is before them, glory and danger alike, and yet notwithstanding, go out to meet it.”

~ Thucydides

To those families who have lost a loved one, we pray for your solace. Please know that these firefighters have gone before us in honor and with great courage. They continue to hallow our profession.

The Firefighters' Creed

© Tim Murphy 2001

There's a War that's being fought without Bombs or Rifle-shot;
   There are deadly confrontations every day.
For the Enemy is Fire; and the Casualties grow higher,
   Among those who place themselves in Danger's Way.
It's a Warrior Breed of men, who face the fires, and fight again,
   When the Screaming Sirens sound their Battle Cry!
Where the Klaxons blare the call, they'll be there to give their All:
   They'll lay their Lives on the Line, Do or Die!

When the terrorists attack, stab our Nation in the back —
   Then our Firefighters lead the way once more;
With their brothers, the Police the Volunteers and EMT's,
   They are joined to combat this Unholy War.
With the strength of Saving Grace, they met the challenge Face-to-Face,
   Even though the stakes had never been so high —
They took the Job and got it done, unsung Heroes every one:
   They laid their Lives on the Line, Do or Die!

(Chorus)
   When the flames are blazing high against the smoky midnight sky,
   You will hear their Mighty Diesels raging by!
   They'll proceed at greatest speed - it's The Firefighters' Creed:
   They'll lay their Lives on the Line, Do or Die!

There's a Piper on the hill, in the misty morning chill;
   You can hear his lonesome bagpipe's mournful drone.
Another Fire Fighter died; and his Brothers at graveside,
   Will see his Widow and their Children aren't alone.
For every Fireman has to know that he could be the Next to go:
   It's just the Nature of the Beast they can't deny;
Every year they add more Names to the Brotherhood of Flames:
   They'll lay their Lives on the Line, Do or Die!

(Chorus)
   When the flames are blazing high against the smoky midnight sky,
   You will hear their Mighty Diesels raging by!
   They'll proceed at greatest speed - it's The Firefighters' Creed:
   (Countless Lives have been Saved by the Bravest of the Brave!)
   (Years of training - Endless Drill! Dedication - Iron Will!)
   (Village Square - City Street! They're the Ones who Take the Heat!)
   (At each Station's strident Bell, still they charge straight into Hell!!)
   They'll lay their Lives on the Line, Do or Die!

Dedicated to the Bravest: those Women and Men, and their Families -
   past, present, and future . . .
   Firefighters all!

In Remembrance...

Barry Garfield Miller, born June 6, 1965, was a lifelong resident of Bergen, and lived to give back to his hometown. At the age of 50, he tragically died while on duty with the Bergen Fire Department on September 23, 2015. He was responding to an emergency call when the ambulance he was riding in was involved in a motor vehicle accident. Barry will be remembered as a community-minded individual who dedicated his life to helping others.

Barry graduated from Byron-Bergen Central School in 1983. He attended Genesee Community College, earning an Associate Degree in Computer Repair Technology in 1986. He went on to earn a Bachelor's Degree from Roberts Wesleyan College in Organizational Management. Barry was the Founder and CEO of Miller Millworks and one of the proprietors of the Beaver River Lodge in Stillwater, NY.

Mr. Miller served his community through the Bergen Fire Department and as a member of the town board. He joined the fire department shortly after his high school graduation and held a number of offices throughout his lifetime member status.

Barry served as the Secretary of the Bergen Fire Department from 1985 to 1987, President from 1988 to 1990, and a Board of Director in 1993. A dedicated member of the Rescue Squad, he served as Lieutenant in 1988; Captain in 1990-1992, and 1994; and Assistant Chief from 2004 to 2006, 2010, 2011, and 2013 to 2015. Barry was consistently among the top responders since joining in 1983. Assistant Chief Miller also provided leadership to the Bergen Fire Department Explorer Program from 2014 until his line of duty death in 2015. He was also serving as a Coroner for Genesee County.

Barry will always be remembered as a highly supportive resident of the Bergen community and someone who was proud to help. Revered as an extremely generous man, one of his favorite ways to demonstrate his love and support of others was by serving the people of Bergen and Genesee County.

Michael Paul Esposito was born to Gerard Esposito Sr. and the late Linda Esposito on 1 April 1968. Michael spent his early years in his hometown of Oceanside, NY, on Long Island and his teenage years in Salinas, CA, before his family returned to the neighboring village of his hometown, Baldwin, NY, when he was a young adult.

In 1990, Michael followed in the path of his younger brother, Todd, and became a member and volunteer of Hook & Ladder Company #1 in the Baldwin Fire Department. Michael found his calling in life and spent over twenty years selflessly protecting and serving his community. In 1996, he rose to the rank of captain within his company. In 1998, Michael transferred within the department to Hose Company #1. In this company, he again was elected to the rank of captain two more times.

Year-round he was involved with fire department activities. In the autumn, winter, and spring, Michael could be found most Friday nights bowling with his company’s team, The Foxes, at the local bowling alley. In late spring, softball season would begin, and he enjoyed playing for the department team in games with other fire departments from within the county. It was the summer that Michael seemed to enjoy the most, being a member of the Tomcats Drill Team and competing in racing tournaments throughout Long Island and New York State.

Michael was survived by his father, Gerard Esposito, Sr.; brother, Gerard Esposito, Jr.; and wife, Susan Esposito; sister, Donna Esposito; brother, Ex-Chief Todd A. Esposito and husband, Brian C. Cinetti; sister, Dawn Esposito; longtime companion, Roberta Jaeger; and his nephews, Gerard Esposito III, Joseph Esposito, and Jordan Esposito.

Ex-Chief Robert “Bobby” Knight, age 64, was a 35 year member of the Sayville Fire Department and served as Chief of Department from 1994 to 1996. A proud member of the Resolute Hose Company, Bob was also a former member of the East Hampton Fire Department from 1975 to 1979, and North Patchogue Fire Department from 1968 to 1969.

An active member of the Firemen’s Association of the State of New York since 1982, Bobby was Vice Chairman of the Legislative Committee for 25 years. His legislative knowledge, experience, and personality were of extraordinary value to FASNY and the entire volunteer fire service. Chief Knight also served as President of the Suffolk County Volunteer Firemen’s Association.

Bobby worked for the United States Postal Service for more than 30 years. It would not be unusual to see Chief Knight responding to a daytime alarm in his postal delivery truck which was outfitted by him with a mobile radio. After his retirement from the post office, Bobby continued to be an advocate for the community by working in the office of Suffolk County Legislator Bill Lindsay.

Bobby served as a respected voice in advocating for firefighters across Long Island, New York State and nationally. A true advocate to the end, he passed away on May 1, 2014, while in attendance at the annual Congressional Fire Service Institute Meetings in Washington D.C.

He is survived by his four children, Mark, Sean, Rory, and Meghan; and two grandchildren, Lucy and Liam.
In Remembrance...

Arthur C. Stickney, Sr. was born on December 6, 1892, in Malone, NY, the son of D.W. and Nettie Ryan Stickney. He was an avid hunter and fisherman and spent his formative years hunting and fishing in the Meacham Lake area with his father, D.W., who was an Adirondack guide at that time. Prior to entering the service, he worked as a blacksmith in Duane, NY.

Arthur was a dedicated member of the fire department, and was promoted to Assistant Fire Chief in 1936, a position he would hold until his death. On September 2, 1942, Arthur suffered a fatal heart attack while fighting a fire at the Malone Milling Company.

Arthur was a proud and respected fireman in the Village of Malone. At the time of his death, he was survived by his loving wife, Nellie, and their seven children. His memory is carried on by his two remaining children and several grand-, great-grand- and great-great grandchildren.

Ex-Chief Lawrence “Larry” Sesso, age 40, was a lifelong resident of Sayville and dedicated member of the Sayville Fire Department for over 23 years. Larry first came to the Fire Department through its Cadet Program. A proud member of the Hook and Ladder Company, Larry served in all capacities including Company Captain. Larry’s crowning accomplishment was being elected to the Chief’s ranks, serving as the Chief of the Sayville Fire Department from 2009-2011. As Chief, Larry became a popular figure, especially at the Islip Town Chiefs level. He was instrumental in forming many of the current day relationships between departments of the township. The many Chiefs who called Larry their friend is testament to the type of person he was.

Many times after serving as a fire chief, one may have a tendency to sit back and quietly disappear. This was not Larry’s style, as you always knew when he was in the room. Larry continued being active not only in emergency responses, but also making sure his beloved fire department met the challenges of the 21st century. This included continuing to be involved with the department’s administration as a Vice President, supporting the Blue Jays Drill Team, and being instrumental in changing the fire officer’s structure to enhance the department’s performance. In addition, Ex-Chief Sesso was the recipient of many unit citations on the fireground as well as being named the Hook & Ladder Company “Firefighter of the Year.” Larry was also a distinguished Police Officer for both the NYPD and the New York-New Jersey Port Authority Police for 18 years. Beginning in 1998, he served in the busy 75th Precinct in Brooklyn and moved to the Port Authority police in 2002 where he served at JFK Airport.

A dedicated family man, Larry always made time for his wife and children. He is survived by his wife, Carolyn Sesso, and three children, Gregory (15), Deanna (7), and Lauren (5).

Jack Rose was born on September 13, 1996 in Monterey, California. As early as he could speak, Jack voiced his love of firefighting, fire trucks, and for the camaraderie within the fire community. Jack never wavered in his passion for firefighting and he made that known fairly regularly. He was stubborn in his passion to do what he loved and to strive for his best. In 2015, in an attempt to make his family understand his passion, he sent a text with a picture of a firefighter and a bible verse: “Greater love hath no man than this, that a man lay down his life for his friends” – John 15:13. Everything his family needed to know was in that simple verse.

Before Jack was eligible to join the fire department, he would make his family take him on fire calls. He did this to learn as much as he could about firefighting, so he could be as prepared as possible for when he was old enough to join. Jack enrolled with the Mount Marion Fire Company on his 16th birthday. Once he joined the Company, he was there on a daily basis either training or doing his homework while waiting for a call. If Jack wasn’t at the firehouse, he could be found in his living room looking at training videos online, where he studied and took notes on those videos day and night. Jack had an innocent face, but he was incredibly quick in his wit and sarcasm. His laugh was contagious and his smile was filled with charm. Anywhere one went with Jack, it was known that he had to stop by a local firehouse to buy a shirt and tour the house.

In addition to his dedication to the fire service, he was dedicated to his family—his mom, Linda; dad, Gary; brother, Matt; sister-in-law, Jess; and niece, Marley. Jack is remembered for not only his fire service, but for his incredibly sarcastic sense of humor, quick wit, and playful nature. Jack was loyal to his family, friends, and the brotherhood; he was a son, a brother, and an uncle. But most importantly, he is a hero.
In Remembrance...

Richard D. Weisse, Sr. was born on October 1, 1955 in St. James, NY, to Edward and Irene Weisse. He joined the St. James Fire Department in 1972, and became a third generation firefighter. Richie was an active 42 year member of the St. James Fire Department. He was Ex-Captain of Fire/Rescue, member of the Ambulance Company and Fire Prevention Committee, Past Lieutenant of Engine 1, Director of the Juniors, and past member of the Wildcats!

Richie worked as a custodian for the Kings Park School District for over 25 years. He loved all the holidays, especially dressing up as Santa for the community. Rich also took lots of pride as a director of the SJFD Juniors! He would always say, “They’re my kids.”

Richard Jr. served side by side with his dad on Engine Co. 1 and is now Lieutenant. His daughter Tricia serves as an active EMT, has completed fire school, and has joined Engine Co. 1 in honor of her dad.

On the morning of November 15, 2014, Ex-Captain Richard Weisse, Sr. was conducting a food drive for a local pantry with SJFD Juniors when he was summoned for a fire alarm at the local high school. Subsequently, after activation of the alarm and completion of the food drive, Mr. Weisse collapsed. The SJFD was summoned to the scene and members initiated lifesaving efforts before transporting him to the hospital. Lengthy resuscitative efforts at the hospital were performed, but Richard sadly passed away.

He is survived by his wife, Terry, of 33 years, son Richard Jr., and daughter Tricia. He was a loving husband, father, son, father-in-law, brother-in-law, uncle, friend, and Papa.

Richie was a true people person who left his hand print on the community and forever in our hearts.

Charles V. Wallace, of Montgomery, NY, was a native of Goshen, NY. He died on February 3, 2015. He was the oldest son of the late Aaron Van Duzer Wallace Jr and Frances Hunington Wallace. Charles V. Wallace proudly served his country as a member of the United States Navy. He also owned and operated Charles Wallace Surveying Company. He was a member of the Montgomery Fire Department since 1972. He was also a member of the Wallkill Engine and Hose Company No. 2.

Charles V. Wallace was present at 297 out of 562 calls for the Montgomery Fire Department in 2014. He was the recipient of numerous awards and accolades for his outstanding service. They include the 1978 Fireman of the Year, the 2008 Montgomery Fire Department Life Saver Award, and the 2012 Commissioner’s Award for Outstanding Service.

He was a dedicated public servant of the Montgomery Planning Board, Montgomery Master Plan Committee, General Montgomery Day Committee, and the Montgomery Fireman’s Fair Committee; furthermore he was a Chairman of the Board of Commissioners for the Montgomery Fire District and a member of the American Legion.

He was predeceased by his parents. Charles V. Wallace is survived by his loving wife, Julianne, their three daughters, Diana R. Wallace, MD, Bonnie M. Bennett, and Susan K. Armstrong, RN (Gavin), his grandchildren, Mark M. Armstrong (Cassie), Janelle L. Bennett, and Matthew C. Bennett. His is also survived by a great grandson, Jackson. He is survived by his brother John W. Wallace (Mary).
