

Attention

The following fire training course schedule is provided to assist students in identifying training that may be available. This schedule is produced based on the course requests received and scheduled by the Office of Fire Prevention & Control.

For further information regarding attendance in one of these programs, you must contact the County Fire Coordinator's office where the course is scheduled to be held to confirm if there are available seats in the class as well as confirm the start dates, times and locations.

The County Fire Coordinator contact information is provided at:
www.dhSES.ny.gov/ofpc/county-fire-coordinators

Courses are Subject to Change

Never assume that there is space available in the course and that the class will start at the place and time on this schedule.

Certain Incident Command and Hazardous Materials Training Courses are listed as a separate category. Persons interested in attending these programs should contact their respective County Fire Coordinator.
