

Swift Water Flood Training

AT THE NEW YORK STATE PREPAREDNESS TRAINING CENTER IN ORISKANY

Open Enrollment Courses Start July 2018

The SWFT facility provides a unique training environment for Swiftwater/Flood rescue training. The facility includes a swiftwater channel, a vehicle in water rescue prop, an urban flood simulator and a rope rescue training tower. The training is open to all first responders and specific course offerings for technical rescue teams or regional partnerships are also available.

Access the SPTC's Training Calendar online:

www.dhSES.ny.gov/training/calendar/?agency=SPTC

Please be sure to select the proper course and date when registering.
