

NY RESPONDS (NYR) INCIDENT MANAGEMENT SYSTEM TRAINING (VIRTUAL)

No. of Openings: 15

ALBANY COUNTY

2 DAY

OCTOBER 21-22, 2020

CAPITAL DISTRICT

ANNOUNCED: OCTOBER 6, 2020

Description:

The New York State Disaster Preparedness Commission (DPC) Exercise Coordination Committee is sponsoring a NY Responds (NYR) training course to be held at the New York State Office of Emergency Management; Albany, New York. NY Responds is the web-based solution to integrating and managing multiple functions of the State EOC. The system allows Agencies and Counties to follow the status of their resource request as it moves through the State EOC. This training program will introduce users to the NYR environment from log-in to situation reporting, and accessing and using key functions and tools in the setting they will most likely work in when assigned to the EOC.

Course Curriculum Structure and Topics:

- Multi-Incident Management
- Defining 3 types of information that enter the system
- Resource categories and management
- Roles, Rights and EOC information flow
- Creating, Updating & Viewing Calls
- Situation Reports and IAPs
- System-wide functions & tools, Library, Phonebook
- Geo-Coding reports, requests, and offers
- Managing assets using the asset tab

Who Should Attend?

The target audience for this course is DHSES employees, DPC Agency Liaisons, County Emergency Managers and personnel who may be assigned to the State Emergency Operations Center (State EOC).

We strongly suggest you submit your registration as early as possible. *Because of high demand for this course, we will give preference to DHSES staff and representatives of agencies to the State EOC.*
