AWARENESS, RECOGNITION, AND RESPONSE**

NO. OF OPENINGS: MIN 50/MAX 75

NASSAU COUNTY

1 DAY

JANUARY 17, 2018

LONG ISLAND

ANNOUNCED: JULY 24, 2017

**Description:**

The New Mexico Institute of Mining and Technology (New Mexico Tech) will be presenting this course. To succeed in preparing for and responding to future homemade explosive events in the United States, emergency response agencies must complete extensive preparatory actions—developing plans and procedures, acquiring equipment, and conducting training and exercises that focus on likely scenarios. This program supports these imperatives by providing current training to first responders with the knowledge, skills, and abilities to effectively prevent, interdict, and respond to an imminent threat caused by homemade explosives laboratories and producers.
