

ICS-402 – ICS FOR EXECUTIVES & SENIOR OFFICIALS

NO. OF OPENINGS: 35

WESTCHESTER CO.

4 HOURS

JUNE 19, 2018

EASTERN HUDSON VALLEY

ANNOUNCED: MARCH 30, 2018

Description:

Any incident can have a mix of political, economic, social, environmental, and cost implications with potentially serious long-term effects. Also, more and more incidents are multiagency and/or multijurisdictional. As the Executive or Senior Official, you need to be aware of how ICS and interagency (regional) multiagency coordination systems can work to ensure cooperative response efforts.

Course Objectives and Topics:

Describe issues that influence incident complexity and the tools available to analyze complexity.

Describe the differences between on-incident ICS organizations and activities and the activities accomplished by Emergency Operations Centers (EOCs), Area Commands, and Multiagency Coordination Systems (MACS).

Explain the administrative, logistical, financial, and reporting implications of large incident operations.

Describe the sources of information regarding the incident and how to access them.

Describe types of agency policies and guidelines that influence management of incident or event activities.

Prerequisite(s): None
