SOUTHERN TIER

ANNOUNCED: AUGUST 30, 2019

Description:

The course is designed to strengthen the abilities of local jurisdictions to successfully prepare for and handle volunteer and donations management issues that may arise and provide information regarding the state's volunteer and donations management responsibilities, which are designed to help build relationships between government and non-governmental organizations.

Objectives:

By participating in this course, participants will be able to:

- Identify key organizations and individuals who have a role in managing unaffiliated volunteers, unsolicited goods, and undesignated cash donations in disasters.
- Identify specific agencies and organizations and how they collaborate to form a Volunteer and Donations Coordination Team (VDCT).
- Develop an effective public education and information structure to support the successful management of unaffiliated volunteers, unsolicited goods, and undesignated cash donations in disasters.
- Identify how to effectively manage the surge of unsolicited goods.
- Gather information from organizations, agencies, volunteers, media, and others for donations intelligence purposes.
- Facilitate the matching of unaffiliated volunteers with appropriate organizations or agencies during program implementation.
- List the planning considerations for cash donations.
- Incorporate technology needed to successfully manage data and information on unaffiliated volunteers and unsolicited goods.
- Relate volunteer and donations management program responsibilities to the planning components of the annex.
