

ICS INTERMEDIATE REFRESHER – INCIDENT ACTION PLAN WORKSHOP

No. of Openings: 30

BROOME COUNTY

1 DAY

APRIL 24, 2019

SOUTHERN TIER

ANNOUNCED: DECEMBER 20, 2018

INCIDENT COMMAND SYSTEM - NATIONAL TRAINING CURRICULUM

Description:

This workshop is designed to provide participants with refresher training on the Incident Command System Intermediate (ICS-300) to assist in maintaining an acceptable level of proficiency in establishing an ICS platform on the initial response and expanding incidents.

This workshop is intended to enhance the participant’s skills building an IAP during an incident or event. This workshop does not replace or substitute core Incident Command System training programs.

Course Curriculum Structure and Topics:

Unit 1: Workshop Overview

Unit 2: ICS-300 Fundamentals Review

Unit 3: Incident Action Plan Development Session 1 Guided Project

Unit 4: Incident Action Plan Development Session 2 Team Project

Who Should Attend?

Participants for this course are those with full or part time public safety assignments in government, volunteer or private sector organizations, tasked with providing incident command organization, structure and management in support of multi-agency/multi-jurisdictional operations. Participants are welcome from a broad range of emergency organizations including law enforcement, fire services, community planning, hospitals, health and medical facilities and services, public works, voluntary organizations, businesses and local government officials.

Location: Emergency Services Special Operations and Training Facility
3006 Wayne Street
Endwell, NY 13760

Time: 9:00 a.m. – 5:00 p.m.

Cost: There is no fee for the course. Food, lodging & transportation costs are the responsibility of the participant.

Prerequisite:

All participants must provide proof of completion of ICS-300 prior to attending the Workshop. Participants should bring to the course their ICS-300 student manual and their copy of FIRESCOPE Field Operations Guide, ICS 420-1 (June 2004 or newer edition).
