

MGT-404 SPORTS AND SPECIAL EVENTS INCIDENT MANAGEMENT

NO. OF OPENINGS: MIN 25/MAX 40

NASSAU COUNTY

2 DAYS

MARCH 27-28, 2019

LONG ISLAND

ANNOUNCED: OCTOBER 24, 2018

Description:

This course emphasizes the unique aspects of response to an incident occurring during a sports/special event, including considerations for business continuity and after-action activities. You will learn the skills necessary to effectively manage an incident by applying and implementing a multi-disciplinary management team approach as described in the National Incident Management System (NIMS).

The course is designed to help develop athletic department staff, facility management personnel, campus public safety personnel, emergency response supervisors, and others involved in sports/special event management to better manage incidents that could occur during an event.

Topics:

- Resource Management Process
- Incident Management for Sport/Special Event
- Multi-Disciplinary for Sport Special Event
- National Incident Management System
- Business Continuity Considerations
- After Action Reporting
- Incident Action Planning

Who Should Attend?

Athletic Departments, Operators of large arenas/venues, Campus public safety, Campus emergency management, Campus administrative, Campus environmental health and safety, Campus physical plant/public works, Student life/affairs, Public affairs, Sports information, Fire service, Emergency medical services, Law enforcement, Public health, Public works
