

STATE EMERGENCY OPERATIONS CENTER COURSE

No. of OPENINGS: 32

1 DAY

AUGUST 8, 2018

ANNOUNCED: JUNE 19, 2018

Description:

The New York State Office of Emergency Management is sponsoring an Emergency Operations Center Course. The State's response to regional and statewide incidents has resulted in both long and short-term activations of the State Emergency Operations Center.

These activations reinforced the need for training, and in response to this need, SOEM has developed this one day course for Agency Liaisons, Representatives and State EOC staff.

The goal of this course is to provide participants with background and technical knowledge necessary to function efficiently and effectively in the State EOC. This course is designed to address the NIMS Target Capabilities and providing Multi-Agency Coordination (MAC) for incident management through the activation and operation of the state emergency operations center (State EOC).

Course Curriculum and Topics

- Emergency Management in New York State
- State EOC Operations
- Principles of ICS for the State EOC
- State EOC functions, layout and principle SOPs
