

## **JEFFREY G. LILLY**

### **SUMMARY BIO**

Jeffrey Lilly has over 45 years of progressive experience and responsibility with documented success in all aspects of public safety with various organizational assignments. During his career he has worked closely with police, fire, and emergency medical service (EMS) agencies throughout Illinois. His municipal law enforcement career of over 40 years includes serving in nearly every capacity and rank from radio dispatcher, to chief of police. Mr. Lilly has also served his community for more than 25 years in the Fire/EMS field as a paid-on-call firefighter/paramedic and has been an instructor/trainer in all three disciplines.

After retiring from law enforcement, Mr. Lilly was appointed as the interoperability coordinator for Lake County, Illinois, a county of more than 750,000 population. Mr. Lilly is a subject matter expert in interoperable communications, emergency management and criminal justice. Mr. Lilly has provided analysis and planning support for communications and operations of a variety of public safety organizations representing NGO, Federal, tribal, state and local government. He has been a member of the ICTAP team for more than 10 years and has been the team lead for the CASM development and support group for over 6 years.
