

Thomas C. Gonzalez
State Communications Unit Coordinator
Texas Department of Public Safety

Thomas Gonzalez is the State Communications Unit Coordinator for the Texas Statewide Interoperability Coordinator Office, at the Texas Department of Public Safety. He coordinates the various Communications Unit Courses and Exercises and oversees the Texas Communications Credentialing Program. He formerly was the Communications Emergency Operations Team Commander that handled Communications responses for incidents and events through 2019. In 1987 – 1991, he was member of the United States Air Force - Radio Operations, worked for Strategic Air Command and 1003 Mobile Command & Control Squadron, a backup to NORAD. He is also the NCSWIC Planning, Training & Exercise Committee Chairman.
