These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from and ineligible for participation in federal assistance programs or activities.

The certification herein shall be treated as a material representation of fact upon which reliance will be placed when the State of New York and/or the Federal Emergency Management Agency (FEMA) determines to award the covered transaction, grant, or cooperative agreement.

As the duly authorized representative of the applicant, I certify that the applicant and its principals agree to comply with the following:

b) Have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and have not within a three-year period preceding this application had one or more public transactions (Federal, State, or local) terminated for cause or default; and
d) Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.
