In the event of a disaster or other emergency, natural or man-made, the resources we frequently depend upon might not be readily available to us.

As an individual, a family member, and member of your community, it is essential that you take a few basic steps to be prepared; the quality of your life and your loved ones may depend on it.

**Being Prepared Takes 4 Simple Steps**

1. **Develop an Emergency Plan**
   - Emergencies may strike anywhere. Develop a plan at home. Also learn about plans at your workplace, or anywhere else you and your family may spend time. Be sure to include emergency contact information for friends and family members, both local and out of town.

2. **Build a Kit**
   - Often during an emergency, electricity, heat, air conditioning or telephone service may not work. Be prepared to make it on your own for at least 7-10 days, maybe longer. Learn what emergency tools and supplies you should stock up on.

3. **Be Aware**
   - Sign up for NY-ALERT at nyalert.gov to receive emergency notifications. Also, know what other resources can provide you with up-to-date information during an emergency. Pay attention to the news and know your surroundings.

4. **Get Involved**
   - Be generous and donate some of your time. Learn what types of programs for volunteers exist within your community.

Emergency Supplies Checklist for Survival Kit

Build a Kit: Every member of your family should have an individualized Emergency Survival Kit. The emergency survival kit should be robust and contain enough food, water, medications, and other consumables to last 7 - 10 days. The following items should be included in your emergency supplies kit:

- Backpack to be used for evacuation
- 4” x 4” Gauze
- 5” x 9” Trauma Gauze
- Ace Bandage
- Roll of Medical Tape
- Antiseptic Wipes
- Bottle of Saline
- Medical Gloves
- Assorted Band-aids
- Whistle
- Work Gloves
- Eye Goggles
- Emergency Blanket
- Extra Batteries
- Dust Mask
- Sanitation Wipes
- Manual Can Opener
- Flashlight - including batteries
- Multi-Tool with Pliers
- Crank-Operated Emergency Radio
