# Mass Gathering Locations and Nearby Business Establishments

## Suspicious Behavior and Indicators:

- Discreetly taking photographs, videos, or notes near entrances, places with high pedestrian traffic, and/or security personnel or monitoring systems.
- Unusual questions about the type of security in place at your establishment.
- Attempting to conceal face from personnel and/or security cameras.
- Wearing clothing inappropriate for the current weather (ex. Bulky clothing in summer).
- Attempting to gain access to restricted areas, either on foot or in a vehicle.
- Individuals bringing or attempting to bring unusual packages into or around the premises.
- Attempting to conceal or leave behind items.
- Overheard conversations in which individuals or patrons make unusual or alarming statements.
- Suspicious vehicles parked outside your establishment.
- Individuals acting nervous, uneasy, and avoiding eye contact.
- Repeat visits without making purchases and/or repeatedly asking questions in an attempt to elicit information about location.
