

Course Description

NY Responds (NYR) Incident Management System Training

Description

The New York State Disaster Preparedness Commission (DPC) Exercise Coordination Committee is sponsoring a NY Responds (NYR) training course.

NY Responds is the web-based solution to integrating and managing multiple functions of the State EOC. The system allows Agencies and Counties to follow the status of their resource request as it moves through the State EOC. This training program will introduce users to the NYR environment from log-in to situation reporting, and accessing and using key functions and tools in the setting they will most likely work in when assigned to the EOC.

Course Curriculum Structure:

- Multi-Incident Management
- Defining 3 types of information that enter the system
- Resource categories and management
- Roles, Rights and EOC information flow
- Creating, Updating & Viewing Calls
- Situation Reports and IAPs
- System-wide functions & tools, Library, Phonebook
- Geo-Coding reports, requests, and offers
- Managing assets using the asset tab

Prerequisites

- IS-100b Introduction to ICS (I-100) which can be taken on-line at <http://training.fema.gov/IS/>.

Length: 6 Hours

Target Audience:

The target audience for this course is DHSES employees, DPC Agency Liaisons, County Emergency Managers and personnel who may be assigned to the State Emergency Operations Center (State EOC).

We strongly suggest you submit your registration as early as possible. *Because of high demand for this course, we will give preference to DHSES staff and representatives of agencies to the State EOC.*

Cost:

There is no fee for the course. Other cost considerations are detailed in each LMS course offering.

Signup Details:

Register through the New York State DHSES Learning Management System. Access the LMS through the link on the
