

Course Description

I-400 ICS for Major and/or Complex Incidents

Description

This course provides training for personnel who require advanced application of the Incident Command System (ICS). This course expands upon information covered in ICS 100 through ICS 300 courses, which are prerequisites for the ICS 400 course.

Course Objectives

- Explain how major incidents engender special management challenges.
- Describe the circumstances in which an Area Command is established.
- Describe the circumstances in which Multi-Agency Coordination Systems are established.

Prerequisites (Must be most recent version)

- [IS-100.c: Introduction to the Incident Command System](#)
- [IS-200.c: Basic Incident Command System for Initial Response](#)
- **ICS-300 (E//L/G): Intermediate Incident Command System for Expanding Incidents (Course must have been taken after April 2019)**
- [IS-700.b: National Incident Management System, An Introduction](#)
- [IS-800.d: National Response Framework, An Introduction](#)

Length: 16 Hours

Target Audience:

The target audience for this course is senior personnel who are expected to perform in a management capacity in an Area Command or Multi-Agency Coordination Systems are established.

Cost:

There is no fee for the course. Other cost considerations are detailed in each LMS course offering.

Signup Details:

Register through the New York State DHSES Learning Management System. Access the LMS through the link on the calendar webpage.
