

## NY Hospitals COVID Briefing

DHSES is co-hosting a webinar with FEMA on Tuesday, June 28, 2022 at 1:00 p.m. in response to recent inquiries from hospital associations regarding Public Assistance for COVID-19 related claims. FEMA will review the eligibility guidance applicable to hospitals requesting reimbursement under the Public Assistance Program as well as guidance on avoiding duplication of benefits. DHSES will present on the process for disbursing Public Assistance funds to eligible applicants. This is a unique opportunity for DR-4480 Public Assistance Applicants to gain further clarification on the Medical Care policy and ask clarifying questions about the Public Assistance Program and process.

Due to the limited number of webinar lines it is required that attendees pre-register for the webinar. Please register here:
