

## Course Description

### AWR-148 Crisis Management for School Based Incidents

#### Description:

The purpose of the Crisis Management for School-Based Incidents – Partnering Rural Law Enforcement, First Responders, and Local School Systems course is to educate rural law enforcement personnel as well as school administrators and personnel on the elements that must be in place to effectively respond to an emergency at a school building or an entire school system.

#### Objectives:

- Will be able to state the course purpose, goals and objectives, explain how law enforcement personnel and school staff need to work collaboratively to prepare for and respond to school-based crisis events.
- Should attain recognizable skills and terminology relevant to school emergency planning and can describe some basic security and safety risks found in schools.
- Will be able to identify many of the different types of threats to schools and the levels of motivation by potential perpetrators' capabilities, and modes of operation.
- Can identify and distinguish various response protocols used by schools and law enforcement as well as describe some of the devices used to instigate a school emergency incident.
- Participants will be able to explain the basic law enforcement expectations of the school and rural law enforcement will be able to explain the roles and responsibilities of their school partners regarding incident recovery to efficiently and effectively return the school and community to normal operation while maintaining a high-level of safety and accountability.

#### Prerequisites:

**You must be a US Citizen to take this course. If you are not please let us know by email for further instruction at [OEM.TRAINING@DHSES.NY.GOV](mailto:OEM.TRAINING@DHSES.NY.GOV)**
