Training Announcement:
Traffic Incident Management System (TIMS) 
Course
September 26, 2022 (1 day)
State Preparedness Training Center

Introduction and Background
This course is part of the NYS ICS/EOC Academy.
The Strategic Highway Research Program developed a program, by responders – for responders, with the objective that nationally, responders acquire a common set of core competencies for traffic incident management.

Course Description
The course covers the process of coordinating resources of several different partner agencies and private sector companies to detect, respond to, and clear traffic incidents as quickly as possible to reduce the impacts of incidents on safety and congestion. Protecting the safety of responders and motorists, how to make a quick response, and effective communications at traffic incident scenes are highlighted.

Target Audience and Student Selection Criteria
All Emergency Response Personnel, Highway, Towing, and Traffic Management Professionals.
Location
State Preparedness Training Center
5900 Airport Road, Oriskany, NY 13424

Cost
There is NO FEE for this course. Lunch will be provided. Travel and all other meals are the responsibility of the course participant.
