

Course Description

L-449 Incident Command System (ICS) Curricula Train-the-Trainer

Description

This course expands and improves students' ability to deliver EMI Incident Command System (ICS) curricula. Students are provided training on the delivery of:

- ICS-100: Introduction to the ICS
- ICS-200: Basic Incident Command System for Initial Response
- ICS-300: Intermediate ICS for Expanding Incidents
- ICS-400: Advanced Incident Command System for Complex Incidents
- ICS-402: NIMS Overview for Executives and Senior Officials
- G0191: Emergency Operations Center/ICS Interface

Emphasis is placed on classroom-based deliveries. This includes compliance with the National Incident Management Training Program, adult education methodologies, deployment of course activities, pre- and post-testing, and ICS training program management.

Students will perform a teach-back of an assigned unit from the ICS core curriculum as part of the course. Teach-backs are conducted as part of the assessment of instructor competence.

Course Objectives:

- Explain the background of ICS training development.
- Identify key requirements and elements within the NIMS Training Program that relate to ICS training courses.
- Identify appropriate instructional techniques for the delivery of ICS curricula and facilitation of course activities.
- Identify critical teaching points, participant challenges, and desired outputs for each of the ICS training courses.
- Explain how to coordinate and execute course deliveries.

Prerequisites:

Participants must have successfully completed the most current versions:

- ICS-100 (IS-0100), Introduction to the Incident Command System;
- ICS-200 (IS-0200), Basic Incident Command System for Initial Response;
