

Critical Infrastructure Security and Resilience Awareness Course (AWR-213)

April 11, 2023

State Preparedness Training Center

Course Description

This course will introduce participants to the key terms, policy, guidance, and preparedness efforts required to safeguard the nation's critical infrastructure. Participants will discuss the risk management framework, describe Federal critical infrastructure security and resilience and information sharing programs, and relate critical infrastructure programs to individual actions. Focus will be placed on local preparedness efforts as they relate to the national approach to critical infrastructure security and resilience, enabling stakeholders to address local planning within a common framework. Informed planning is consistent with accepted emergency management standards as the basis for planning across the mission areas of prevention, protection, mitigation, response, and recovery. **Individuals completing this course, in combination with MGT-315, MGT-310, and MGT-414, will be awarded the TEEX Infrastructure Protection Certificate.**

Topics

- The Critical Infrastructure Challenge
- Federal Policy and Guidance
- Risk Management
- Roles and Responsibilities of Critical Infrastructure Partners
- Information Sharing Programs
- Individual Actions

Course Provider

This training opportunity will be provided by the Texas A&M Engineering Extension Service (TEEX).

Location

State Preparedness Training Center (SPTC)
5900 Airport Road Oriskany, NY 13424

Times

April 11, 2023: Check-In (8:00am-8:30am), Course (8:30am-4:30pm)

Recommended Prerequisites for this Course

- IS-100.B: Introduction to the Incident Command System
- IS-700.A: National Incident Management System (NIMS) An Introduction
- AWR-160: WMD/Terrorism Awareness for Emergency Responders

Cost

There is NO FEE for this course. Lunch will be provided. Travel and all other meals are the responsibility of the course participant.

Audience

This course is open to a broad array of public safety stakeholders, including law enforcement, the fire service, emergency management, public health, and emergency medical services (EMS). The New York State Division of Homeland Security and Emergency Services (DHSES) reserves the right to determine eligibility for this course.

Registration Process

Registration for this course will be handled via DHSES's new Learning Management System (LMS). Please use the link below to access LMS and register for this course:

<https://lmsportal-dhSES.ny.gov/AcadisViewer/Login.aspx?ReturnUrl=%2fAcadisViewer%2fRegistration%2fRegistrationHome.aspx>

If you need an LMS account or have any questions about LMS, please email LMS@dhSES.ny.gov. All student registrations will be reviewed by the SPTC with approvals sent to students no later than two weeks prior to the start of the class. Registration does not guarantee a seat in the class. If you are accepted into the course, you will receive a confirmation email from the SPTC.

TEEX

To attend this course you are also required to register through the TEEX student portal by following this link

No Show Policy

Failure to attend a class you have registered for can result in restriction on future course attendance and agency notification.

Lodging

Lodging will be provided on the night of April 10, 2023 for participating State and Local responders.

You are eligible for lodging if your residence and official work station are more than 50 miles from the SPTC and you are a State or Local responder. Lodging is not available for federal employees or private industry participants. You must be enrolled in the course and have received lodging confirmation from the SPTC before arriving at the Center, or your lodging will not be covered and you will not be allowed in the class.

Questions

If you have any questions, please contact the SPTC at 315-768-5689 or SPTC.INFO@dhSES.ny.gov.
