

**TRAINING ANNOUNCEMENT:  
Physical and Cybersecurity for  
Critical Infrastructure (MGT-452)**

## **State Preparedness Training Center**

### **Course Description**

The national and economic security of the United States depends on the reliable functioning of critical infrastructure. This course encourages collaboration efforts among individuals and organizations responsible for both physical and cybersecurity toward development of integrated risk management strategies that lead to enhanced capabilities necessary for the protection of our Nation's critical infrastructure.

Participants will identify physical and cybersecurity concerns impacting overall infrastructure security posture, examine integrated physical and cybersecurity incidents and the evolving risks and impacts they pose to critical infrastructure, and explore resources that can be applied to improve security within an organization, business, or government entity.

### **Course Topics**

- Physical and Cybersecurity Overview
- Evolving Physical and Cybersecurity Risks to Critical Infrastructure
- Key Concepts and Resources to Improve Security

### **Course Provider**

This training opportunity is provided by the Texas A&M Engineering Extension Service (TEEX).

### **Location**

State Preparedness Training Center (SPTC)  
5900 Airport Road Oriskany, NY 13424

### **Times**

### **Cost**

There is NO FEE for this course. Lunch will be provided. Travel and all other meals are the responsibility of the course participant.

## **Audience**

This course is open to a broad array of public safety stakeholders, including law enforcement, the fire service, emergency management, public health, and emergency medical services (EMS). The New York State Division of Homeland Security and Emergency Services (DHSES) reserves the right to determine eligibility for this course.

## **Registration Process**

Registration for this course will be handled via DHSES's Learning Management System (LMS). Please use the link below to access LMS and register for this course:

<https://lmsportal-dhSES.ny.gov/AcadisViewer/Login.aspx?ReturnUrl=%2fAcadisViewer%2fRegistration%2fRegistrationHome.aspx>

If you need an LMS account or have any questions about LMS, please email [LMS@dhSES.ny.gov](mailto:LMS@dhSES.ny.gov).

All student registrations will be reviewed by the SPTC with approvals sent to students no later than two weeks prior to the start of the class. Registration does not guarantee a seat in the class. If you are accepted into the course, you will receive a confirmation email from the SPTC.

## **TEEX**

To attend this course you are also required to register through the TEEX student portal by following this link

## **No Show Policy**

Failure to attend a class you have registered for can result in restriction on future course attendance and agency notification.

## **Lodging**

Lodging will be provided on the night of for participating State and Local responders.

You are eligible for lodging if your residence and official work station are more than 50 miles from the SPTC and you are a State or Local responder. Lodging is not available for federal employees or private industry participants. You must be enrolled in the course and have received lodging confirmation from the SPTC before arriving at the Center, or your lodging will not be covered and you will not be allowed in the class.

## **Questions**

If you have any questions, please contact the SPTC at 315-768-5689 or [SPTC.INFO@dhSES.ny.gov](mailto:SPTC.INFO@dhSES.ny.gov).
