Fire Officer 2
NFPA 1021, 2020 Edition
Practical Skills Test

Station #: FO2 - 1

STATION:

Evaluate and Maximize Member Performance

OBJECTIVE:

Evaluate the job performance of assigned members, given personnel records and evaluation forms, so that each member's performance is evaluated accurately and reported according to human resource policies and procedures.
Initiate actions to maximize member performance and/or to correct unacceptable performance, given human resource policies and procedures, so that member and/or unit performance improves or the issue is referred to the next level of supervision.

JPR:

NFPA 1021 5.2.1 & 5.2.2

EQUIPMENT:

- Pen/Pencil
Stopwatch or suitable timing device

INSTRUCTIONS:

The candidate will be given a document outlining the performance of a member over the past month. The candidate must review the member's performance in comparison to department policy. The candidate will complete the performance evaluation form for the member so that the acceptable and unacceptable behavior is accurately reported. The candidate will communicate the content of the performance evaluation to the member and provide counseling for the improvement of unacceptable behavior. The candidate will write a memo to the supervisor summarizing the evaluation and counseling session. The candidate will be given forty (40) minutes to complete the performance evaluation, ten (10) minutes to complete the counseling session and ten (10) minutes to write the memo. The candidate must achieve a score of 70% or higher on this station.

COMMENTS: (Reasons for any failure must be clearly documented here)

Stopwatch or suitable timing device

INSTRUCTIONS:

The Fire Officer 2 candidate, given multiple risks to the community, will identify which are most prevalent in his/her community. The candidate will then determine how to implement a prevention program geared towards reducing the impact that those risks pose to the community. The candidate will be given thirty (30) minutes to complete this station. The candidate must achieve a score of 70% or higher on this station.

COMMENTS: (Reasons for any failure must be clearly documented here)
