

APPENDIX C
PAYMENT AND REPORTING SCHEDULE

A. General Terms and Conditions

1. In full consideration of contract performance, DHSES agrees to pay, and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page. All payments shall be in accordance with the budget contained in the applicable Appendix B (Budget), which is attached hereto.
2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained and the contract is fully executed. Contractor obligations or expenditures that precede the start date of the Contract shall not be reimbursed.
3. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, "Full Execution" shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Contract shall be governed by Article 11-B of the State Finance Law.
4. Contractor must provide complete and accurate billing invoices to the State in order to receive payment. However, the State may, in its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. The State may require the Contractor to submit billing invoices electronically.
5. The Contractor shall submit documentation to support its claims for payment pursuant to this Contract. All supporting documentation must be completed and provided in a manner satisfactory and acceptable to the State Agency in order for the Contractor to be eligible for payment.
6. Payment for invoices submitted by the Contractor shall be rendered electronically in accordance with OSC's procedures and practices governing electronic payment unless payment by paper check is expressly authorized by the head of the State Agency, in his or her sole discretion after the Contractor establishes extenuating circumstances requiring payment by paper check. Such electronic payment shall be made in accordance with OSC's procedures and practices to authorize electronic payments. Authorization for electronic payment must be made through the Statewide Financial System's (SFS) Vendor Portal: <https://esupplier.sfs.ny.gov/psp/fscm/SUPPLIER/?cmd=login>. For assistance to access the SFS Vendor Portal, please contact the SFS Help Desk at 518-457-7717 or 855-233-8363 or email HelpDesk@sfs.ny.gov. Contractor acknowledges that it will not receive payment on any vouchers submitted under this Contract if it does not comply with the State Comptroller's electronic payment procedures, except where the Director has expressly authorized payment by paper check as set forth above.

7. If travel expenses are an approved expenditure under the Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.
8. The State reserves the right to withhold up to fifteen percent (15%) of the total amount of the Contract as security for the faithful completion of services or work, as applicable, under the Contract. This amount may be withheld in whole or in part from any single payment or combination of payments otherwise due under the Contract. In the event that such withheld funds are insufficient to satisfy Contractor's obligations to the State, the State may pursue all available remedies, including the right of setoff and recoupment.
9. All vouchers must be submitted by the Contractor no later than thirty (30) calendar days after the end date of the period for which reimbursement is claimed. In no event shall the amount received by the Contractor exceed the budget amount approved by the State Agency, and, if actual expenditures by the Contractor are less than such sum, the amount payable by the State Agency to the Contractor shall not exceed the amount of actual expenditures.
10. All obligations must be incurred prior to the end date of the contract. The final claim of the contract term shall be submitted to the State Agency up to ninety (90) calendar days after the contract end date to make final expenditures if this contract is State Funded. However, if this contract is funded, in whole or in part, with Federal funds, the Contractor shall have up to sixty (60) calendar days after the contract end date to make expenditures and submit the claim to the State Agency.
11. The State shall not be liable for payments on the Contract if it is made pursuant to a Community Projects Fund appropriation if insufficient monies are available pursuant to Section 99-d of the State Finance Law.\
12. The Contractor may be required to submit a Consolidated Fiscal Reporting System ("CFR"). The CFR is a standardized electronic reporting method accepted by State agencies, consisting of schedules which, in different combinations, capture financial information for budgets, quarterly and/or mid-year claims, an annual cost report, and a final claim. The CFR, which must be submitted annually, is both a year-end cost report and a year-end claiming document. For New York City contractors, the due date shall be May 1 of each year; for Upstate and Long Island contractors, the due date shall be November 1 of each year.

B. Advance Payment and Claiming Requirements

1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179-u for both multiyear and renewal contracts and the provisions of this contract. Federally funded contract advances will be made as set forth by the Federal grant award requirements and applicable Federal regulations and this contract.

2. For simplified renewals, the payment schedule will be modified as part of the renewal process. For subsequent contract years in multi-year contracts, Contractor will be notified of the scheduled advance payments for the upcoming contract year no later than 90 days prior to the commencement of the contract year.
3. Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent claims and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.

All requests for reimbursement must reflect actual costs that have been disbursed by the Contractor. Items or services not received are not eligible for reimbursement. 7. Fiscal cost reports must be submitted showing grant expenditures. They must also show the amount of interest earned to date on any advanced funds.
8. All submitted vouchers will reflect the Contractor's actual expenditures and will be accompanied by supporting detailed itemization forms or a form deemed acceptable to DHSES for personal service, fringe benefit and non-personal service expenditures or other documentation as required, and by a fiscal cost report for the reporting period. In the event that any expenditure for which the Contractor has been reimbursed by grant funds is subsequently disallowed, DHSES, in its sole discretion, may reduce the voucher payment by the amount disallowed. If necessary, the Contractor may be required to submit a final budget reallocation.
9. DHSES reserves the right not to release subsequent grant awards pending Contractor compliance with this Agreement.
10. Contractors must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers.
11. Final vouchers, reimbursement requests and reports must be submitted within 30 days of the end of the grant contract period. Failure to submit a voucher within this period may result in the loss of grant funds. Property Records or Equipment Inventory Reports as defined in Appendix A-1, Section IV, Paragraph Q, must be available at the conclusion of the contract period and submitted to DHSES upon request.
12. For purposes of prompt payment provisions, the Designated Payment Office for the processing of all vouchers is the Contract Unit of DHSES. Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. Payment shall be preceded by an inspection period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Contractor must notify the Federal Fiscal Unit in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue, vouchers will not be eligible for prompt payment.
