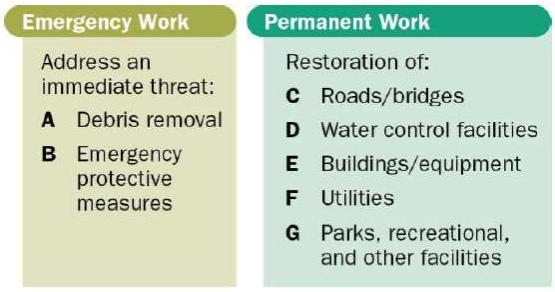
Public Assistance Applicants Briefing Announcement
DR - 4825 Remnants of Tropical Storm Debby
Incident Period: August 8, 2024, to August 10, 2024

On September 24th, 2024, the State of New York received a Major Disaster Declaration from President Biden for the damages caused by the Remnants of Tropical Storm Debby (FEMA-4825-DR) in Allegany, Broome, Delaware, Essex, Franklin, Jefferson, Ontario, St. Lawrence, Steuben, and Yates Counties. The declaration authorizes Public Assistance for Categories A through G for eligible applicants. The Applicants Briefing provides an overview of the FEMA Public Assistance program and procedures necessary for eligible entities to apply for participation in DR-4825 and ultimately get reimbursed for eligible expenses. Eligible applicants include State and local governments and certain Private Non-Profit (PNP) organizations. Eligible PNPs may include hospitals, houses of worship and private non-profit schools.



The Office of Disaster Recovery at DHSES has scheduled a virtual Applicants Briefing at **10:00 AM** on **Tuesday October 8th, 2024.** The Applicants Briefing provides potential applicants with the information needed to:

(a) participate in the disaster as Public Assistance applicants if eligible; and
(b) submit for reimbursement for FEMA-eligible expenditures incurred as a result of DR-4825 including Mutual Aid.

To register for the Applicants Briefing, please click on the registration link below. Once you register for the Applicants Briefing, you will receive a confirmation email with the teleconference login as well as the Webex login. The duration of the Webex presentation should be approximately 1.5 hours and is followed by a question-and-answer period.
