

# HOME ESCAPE MAP

In the space below, draw a floor map of your home or apartment. Check each bedroom for the best window or door for an emergency escape. Remember to always know two ways out. Pick a designated meeting place outside your home for you and your family members.

A large, empty rectangular box with a thin black border, intended for drawing a floor map of a home or apartment. The box is currently blank, providing space for the user to sketch their floor plan and identify escape routes and meeting places.
