

Vehicle Checkpoint: Basic

August 15-16, 2016

TRAINING ANNOUNCEMENT

Course Description:

Vehicle Checkpoint: Basic provides students with the basic skills needed to establish and operate a checkpoint for the purpose of detecting weapons, explosive materials, and/or narcotics in a vehicle traveling on a roadway or approaching a venue/event. Students will discuss checkpoint components and LE responsibilities when establishing checkpoints, with an emphasis on officer safety and threat mitigation. Instructors will review interview techniques used to detect suspicious behavior and deception in drivers and occupants.

Students will observe as the instructors walk through each task of setting up a checkpoint, then demonstrate skills with instructor guidance in skill lanes. Students will conduct a vehicle stop at a checkpoint and respond if a threat is identified. Students will establish and operate vehicle checkpoints to interdict threats in scenario-based activities throughout day 2.
