

Course Description

I-402 Incident Command System for Executives & Senior Officials

Description:

As more and more incidents are multiagency and/or multijurisdictional each instance can have a mix of political, economic, social, environmental, and cost implications with potentially serious long-term effects. The purpose of this course is to familiarize Senior Officials (executives, elected and appointed officials, city/county managers, agency administrators, etc.) with their role in supporting incident management within the National Incident Management System (NIMS).

Upon Completion of this course, students will be able to explain NIMS tenets and the role of the four command and coordination entities (ICS, EOC, MAC Group and JIS) within NIMS.

Course Objectives:

Upon Completion of this course students will be able to:

- Explain the National Incident Management System
- Explain the NIMS Management Characteristics, the organizational structure of the Incident Command System, and the role of the Command and General Staff
- Explain the attributes and purpose of Emergency Operations Centers
