

(L-960 / S-339) All-Hazards ICS Division/Group Supervisor Course

No. of OPENINGS: 25

SUFFOLK COUNTY

3 DAYS

DATES: OCTOBER 25 – 28, 2016

TIME: 8:30 A.M. – 5:00 P.M.

ANNOUNCED: JULY 26, 2016

2016 NEW YORK WILDFIRE AND INCIDENT MANAGEMENT ACADEMY

Introduction and Background: The primary goal of the NIMS ICS All-Hazards Position Specific Training Courses is to provide all-hazards competencies and behaviors for Command and General Staff and selected Unit Leader personnel who are members of an existing or developing Incident Management Team (IMT). Competencies in the training are focused around the ability of the student to assume specific position responsibilities, lead assigned personnel, communicate effectively, and to ensure the completion of assigned tasks in order to meet identified objectives for the position. Personal qualifications to serve as members of IMT's are designed to consider a combination of training, operational experience during exercises or actual incidents, job shadowing, field mentoring, and administrative requirements.

Course Description: This course is designed to provide emergency responders with a robust understanding of the duties, responsibilities, and capabilities of an effective Division/Group Supervisor on an IMT. The course walks students through general information, including an overview of the Operations Section and information on incident mobilization, initial situation awareness and unit management. It also provides detailed instruction on responding to the incident and the command needs of the incident, as well as emphasizing the importance of risk management and safety considerations.

Target Audience and Student Selection Criteria: Persons currently or likely to assume the role of the Division Group Supervisor on an Incident Management Team.

To ensure the most appropriate target audience for this course, SOEM will review all registrations prior to acceptance to the course.

Prerequisites:

- Required
- ICS 100, ICS 200, ICS 300, IS 700 and IS 800
Recommended
- ICS 400
